RE: Supplemental Allocation Request, Claim ID #2275; Tornado at Red Haw State Park, Lucas County

Dear Victoria and Tammy:

On March 6, 2023, the Executive Council approved DNR's request for an emergency allocation of \$408,102 for tornado damage repair costs at Red Haw State Park in Lucas County (Claim ID #2275).

Since beginning construction on the repairs at the park we have completed the shelter and dock portions of the project. These projects, and bids for others, have come in higher than the expected estimate provided. In addition, we discovered the shower building had been damaged, which was not a part of the original allocation request. The current estimated cost for repairing the shower building is \$22,000. An estimate for the cost of all supplemental work is included.

This information is being submitted to the Executive Council as a request for a supplemental allocation of \$494,725.96 to cover the cost of the remaining repairs.

I thank you and the Executive Council members for your time and consideration in reviewing this material. Please inform me if it would be advantageous to participate in the Executive Council meeting in order to answer any questions.

Sincerely,

Sherry L. Arntzen, Bureau Chief
Parks, Forests and Preserves Bureau
cc: Kara Bryant, DNR Budget and Finance
