Subject: 10-50 Car/Deer

Lt. Coe,

On the way home from our Tac Team callout in Guthrie County, I was involved in a 10-50 car/deer accident. I was westbound on I-80 near mm 77 when I struck a deer that was already dead in the roadway. The deer was in my lane and I was unable to maneuver around it safely before striking it. I was able to drive to the next exit before I shut off my car due to mechanical failures.

My vehicle became disabled and I received a ride home from Trp. Probasco.

Trp. Farver assisted with towing my vehicle.

An accident report will need to be completed and my initial assessment of the vehicle is that there is extensive damage (possibly totaled).

I will follow up tomorrow with the tow service and an accident report.

Respectfully,

Nick
