All,

Good Morning.

I would like to provide you an brief update with the hail, act of nature event from 7-9-21. This also allows me to update my command staff. I have attached a brief snap shot of where DPS is at with the damages and repairs. We have a few vehicles outstanding for repairs but most of the vehicles have been repaired.

DPS would like to give a special Thanks to all who assisted DPS with processing of the vehicle damage submissions. DAS and all of our supporting partners did a phenomenal job all around. Great Job!!! I know a lot of road miles were probably logged going to look at some of these vehicles. Mariah and Jeannie as always worked their magic solving issues on the run. Everybody's hard work and support ensured DPS didn't skip a beat and kept moving forward serving Iowans.

In closing thanks again to all. To Tammy and the Executive Council; it's has been a rough year for 29C20 events and as always Thank You for your consideration for this weather event. Please let me know if anybody needs anything in regards to the submissions for this event.

Have a good weekend.

V/R
