Dear John,

This letter serves as a preliminary report of damage incurred by a widespread power outage to the University of Northern Iowa campus on September 13, 2021, that was previously reported to you by email. The outage occurred on the feed from Cedar Falls Utilities. An allocation of funds is requested based on this preliminary loss report.

The list below shows the estimated cost to repair the damage:

<u>Description</u>	<u>Estimate</u>
One Extron Control Systems – controller, receiver, touch panel	\$ 4,275.00
Two Desktop Computers	1,770.00
One Laptop Computer	1,284.00
Towers Center – compressor motors	
Equipment	8,662.73
Overtime Labor	986.70
Estimate of Costs	\$16,978.43

A final report will be submitted when final costs are identified.

Sincerely,

Sarah Harms

Assistant to Senior Vice President for Finance & Operations
