We had an unfortunate incident today at Mount Pleasant Correctional Facility. A Correctional Officer was returning to our campus with an incarcerated individual. The CO experienced a medical emergency and the vehicle he was driving hit a light pole on our property. Both individuals involved were taken by ambulance to the nearest hospital.

We have submitted the accident report and additional details to DAS Fleet. They have indicated the vehicle will most likely be totalled. We will need to know how to go about repairing the damaged light pole.

Please let us know what additional information you will need.
