State of Iowa
Executive Department

IN THE NAME AND BY THE AUTHORITY OF THE STATE OF IOWA

PROCLAMATION OF DISASTER EMERGENCY

WHEREAS, on May 20, 2024, and continuing thereafter, a series of severe storm systems affected the state of Iowa; and

WHEREAS, this storm system caused severe weather, including damaging winds, straight-line winds, tornados, heavy rains, thunderstorms and flash flooding, resulting in significant damage to public and private property, power outages resulting from downed power lines and poles and large debris piles; and

WHEREAS, Adair, Adams, Cass, Clay, Hardin, Harrison, Jasper, Kossuth, Marshall, Montgomery, Page, Palo Alto, Pottawattamie, Tama, and Warren Counties suffered significant damage from this event; and

WHEREAS, reports forwarded to the Iowa Department of Homeland Security and Emergency Management by the emergency management coordinators and others in the affected counties indicate that local resources and capabilities have been exhausted and that state assistance and resources are needed to respond to and recover from the effects of this event; and

WHEREAS, reports forwarded to the Iowa Department of Homeland Security and Emergency Management by the emergency management coordinator within the affected counties indicate that state individual assistance pursuant to Iowa Code § 29C.20A and Iowa Admin. Code 605-11.2(1) is needed to assist certain individuals and families adversely affected by the disaster who cannot be helped by other means of financial assistance and for whom federal assistance under the Stafford Act is either not available or does not adequately meet the needs of the citizens in the disaster area; and

WHEREAS, these conditions threaten the public peace, health, and safety of citizens of the State of Iowa and have damaged and destroyed public and private property. Because of this, they provide legal justification for the issuance of a Proclamation of Disaster Emergency pursuant to Iowa Code § 29C.6 (1).

NOW, THEREFORE, I, KIMBERLY K. REYNOLDS, Governor of the State of Iowa, by the power and authority vested in me by the Iowa Constitution Art. IV, §§ 1, 8 and Iowa Code § 29C.6 (1), and all other applicable laws, do hereby proclaim a **STATE OF DISASTER EMERGENCY** for Adair, Adams, Cass, Clay, Hardin, Harrison, Jasper, Kossuth, Marshall, Montgomery, Page, Palo Alto, Pottawattamie, Tama, and Warren Counties and do hereby **ORDER** and **DIRECT** the following:

SECTION ONE. As required by Iowa Code § 29C.6 (1), (10) and 42 U.S.C. § 5170 in cases of Presidential Disaster Declarations, this Proclamation of Disaster Emergency activates the disaster response and recovery aspects of the Iowa Department of Homeland Security and Emergency Management's Iowa Emergency Response Plan and those additional response plans applicable to the counties affected by this disaster and authorizes the use and deployment of all available state resources, supplies, equipment, and materials as are reasonably necessary to assist those citizens located in the disaster counties.

SECTION TWO. I authorize the Iowa Department of Homeland Security and Emergency Management under the terms and conditions as allowed by Iowa law to render individual disaster assistance to eligible residents of Adair, Adams, Cass, Clay, Hardin, Harrison,

Jasper, Kossuth, Marshall, Montgomery, Page, Palo Alto, Pottawattamie, Tama, and Warren Counties.

SECTION THREE. The Iowa Department of Homeland Security and Emergency Management, the county emergency management coordinators, and any other state agencies and private organizations providing services associated with the Iowa Individual Assistance Grant Program or Iowa Disaster Case Advocacy are authorized to share any information necessary to ensure appropriate resources are provided to eligible residents impacted by this disaster. Such information may be shared throughout the implementation of the programs and shall continue for as long as needed to provide necessary services to residents impacted by this disaster, to include after the formal closure of the program(s).

SECTION FOUR. I temporarily suspend the regulatory provisions of Iowa Admin. Code 11-53.11(3) prohibiting pay to those State of Iowa employees for hours worked in excess of 40 hours per workweek while present in the State's Emergency Operations Center or otherwise engaged in assigned disaster response missions or other activities. This suspension shall be retroactive to the initial activation of the State's Emergency Operations Center.

SECTION FIVE. I temporarily suspend the regulatory provisions of Iowa Code Chapter 8A, Iowa Code § 313.10, Iowa Admin. Code chapters 11-117, 11-118 requiring the Iowa Department of Homeland Security and Emergency Management, the Iowa Department of Transportation, the Iowa Department of Public Safety, the Iowa Department of Health and Human Services, the Iowa Department of Natural Resources and other state agencies involved in the response to this disaster emergency to procure goods and services through a competitive selection process. Suspension of these provisions is limited to the duration of this proclamation and is further limited to procurements which are necessary to respond to this disaster emergency.

- A. Nothing contained in this proclamation shall be construed as an exemption from the controlled substances and alcohol use and testing requirements under 49 CFR Part 382, the commercial drivers' license requirements under 49 CFR Part 383, the financial responsibility requirements of 49 CFR Part 387, or any other portion of the Code of Federal Regulations not specifically identified in this proclamation.
- B. No motor carrier operating under the terms of this proclamation shall require or allow a fatigued or ill driver to operate a motor vehicle. A driver who informs a carrier that he or she needs immediate rest shall be given at least ten consecutive hours off duty before the driver is required to return to service.
- C. Upon the request of a driver, a commercial motor carrier operating under this proclamation must give a driver at least thirty-four (34) consecutive hours off when the driver has been on duty for more than seventy (70) hours during any eight consecutive days.
- D. Motor carriers that have an out-of-service order in effect may not take advantage of the relief from regulations that this declaration provides under title 49 CFR § 390.23.
- E. Upon the expiration of the effective date of this proclamation, or when a driver has been relieved of all duty and responsibility to provide direct assistance to the emergency effort, a driver that has had at least thirty-four (34) consecutive hours off duty shall be permitted to start his or her on-duty status hours and 60/70 hour clock at zero.

SECTION SEVEN. I temporarily suspend the regulatory provisions of Iowa Code §§ 321.463(6) (a) and (b) and 321E.29 and Iowa Admin. Code 761-511, to the extent those provisions restrict the movement of loads related to disaster repairs on all highways within Iowa, excluding the interstate system, and require a permit to transfer such loads, when such loads:

IN THE NAME AND BY THE AUTHORITY OF THE STATE OF IOWA

PROCLAMATION OF DISASTER EMERGENCY

WHEREAS, on May 20, 2024, and continuing thereafter, a series of severe storm systems affected the state of Iowa; and

WHEREAS, this storm system caused severe weather, including damaging winds, straight-line winds, tornados, heavy rains, thunderstorms and flash flooding, resulting in significant damage to public and private property, power outages resulting from downed power lines and poles and large debris piles; and

WHEREAS, Calhoun, Cerro Gordo, Johnson, Keokuk, Marion, Scott, Shelby, Union, Washington and Wright Counties suffered significant damage from this event; and

WHEREAS, reports forwarded to the Iowa Department of Homeland Security and Emergency Management by the emergency management coordinators and others in the affected counties indicate that local resources and capabilities have been exhausted and that state assistance and resources are needed to respond to and recover from the effects of this event; and

WHEREAS, reports forwarded to the Iowa Department of Homeland Security and Emergency Management by the emergency management coordinator within the affected counties indicate that state individual assistance pursuant to Iowa Code § 29C.20A and Iowa Admin. Code 605-11.2(1) is needed to assist certain individuals and families adversely affected by the disaster who cannot be helped by other means of financial assistance and for whom federal assistance under the Stafford Act is either not available or does not adequately meet the needs of the citizens in the disaster area; and

WHEREAS, these conditions threaten the public peace, health, and safety of citizens of the State of Iowa and have damaged and destroyed public and private property. Because of this, they provide legal justification for the issuance of a Proclamation of Disaster Emergency pursuant to Iowa Code § 29C.6 (1).

NOW, THEREFORE, I, KIMBERLY K. REYNOLDS, Governor of the State of Iowa, by the power and authority vested in me by the Iowa Constitution Art. IV, §§ 1, 8 and Iowa Code § 29C.6 (1), and all other applicable laws, do hereby proclaim a **STATE OF DISASTER EMERGENCY** for Calhoun, Cerro Gordo, Johnson, Keokuk, Marion, Scott, Shelby, Union, Washington and Wright Counties and do hereby **ORDER** and **DIRECT** the following:

SECTION ONE. As required by Iowa Code § 29C.6 (1), (10) and 42 U.S.C. § 5170 in cases of Presidential Disaster Declarations, this Proclamation of Disaster Emergency activates the disaster response and recovery aspects of the Iowa Department of Homeland Security and Emergency Management's Iowa Emergency Response Plan and those additional response plans applicable to the counties affected by this disaster and authorizes the use and deployment of all available state resources, supplies, equipment, and materials as are reasonably necessary to assist those citizens located in the disaster counties.

SECTION TWO. I authorize the Iowa Department of Homeland Security and Emergency Management under the terms and conditions as allowed by Iowa law to render individual disaster assistance to eligible residents of Calhoun, Cerro Gordo, Johnson, Keokuk, Marion, Scott, Shelby, Union, Washington and Wright Counties.

SECTION THREE. The Iowa Department of Homeland Security and Emergency Management, the county emergency management coordinators, and any other state agencies and private organizations providing services associated with the Iowa Individual Assistance Grant Program or Iowa Disaster Case Advocacy are authorized to share any information necessary to ensure appropriate resources are provided to eligible residents impacted by this disaster. Such information may be shared throughout the implementation of the programs and shall continue for as long as needed to provide necessary services to residents impacted by this disaster, to include after the formal closure of the program(s).

SECTION FOUR. I temporarily suspend the regulatory provisions of Iowa Admin. Code 11-53.11(3) prohibiting pay to those State of Iowa employees for hours worked in excess of 40 hours per workweek while present in the State's Emergency Operations Center or otherwise engaged in assigned disaster response missions or other activities. This suspension shall be retroactive to the initial activation of the State's Emergency Operations Center.

Suspension of these provisions is limited to the duration of this proclamation and is further limited to procurements which are necessary to respond to this disaster emergency.

- A. Nothing contained in this proclamation shall be construed as an exemption from the controlled substances and alcohol use and testing requirements under 49 CFR Part 382, the commercial drivers' license requirements under 49 CFR Part 383, the financial responsibility requirements of 49 CFR Part 387, or any other portion of the Code of Federal Regulations not specifically identified in this proclamation.
- B. No motor carrier operating under the terms of this proclamation shall require or allow a fatigued or ill driver to operate a motor vehicle. A driver who informs a carrier that he or she needs immediate rest shall be given at least ten consecutive hours off duty before the driver is required to return to service.
- C. Upon the request of a driver, a commercial motor carrier operating under this proclamation must give a driver at least thirty-four (34) consecutive hours off when the driver has been on duty for more than seventy (70) hours during any eight consecutive days.
- D. Motor carriers that have an out-of-service order in effect may not take advantage of the relief from regulations that this declaration provides under title 49 CFR § 390.23.
- E. Upon the expiration of the effective date of this proclamation, or when a driver has been relieved of all duty and responsibility to provide direct assistance to the emergency effort, a driver that has had at least thirty-four (34) consecutive hours off duty shall be permitted to start his or her on-duty status hours and 60/70 hour clock at zero.

IN THE NAME AND BY THE AUTHORITY OF THE STATE OF IOWA

PROCLAMATION OF DISASTER EMERGENCY

WHEREAS, on June 12, 2024, and continuing thereafter, a series of severe storm systems affected the state of Iowa; and

WHEREAS, these storm systems caused severe weather, including damaging winds, straight-line winds, heavy rains, flash flooding, hail and thunderstorms, resulting in significant damage to public and private property and power outages resulting from downed power lines and poles; and

WHEREAS, Monona and Woodbury Counties suffered significant damage from this event; and

WHEREAS, reports forwarded to the Iowa Department of Homeland Security and Emergency Management by the emergency management coordinator within the affected counties indicate that state individual assistance pursuant to Iowa Code § 29C.20A and Iowa Admin. Code 605-11.2 (1) is needed to assist certain individuals and families adversely affected by the disaster who cannot be helped by other means of financial assistance and for whom federal assistance under the Stafford Act is either not available or does not adequately meet the needs of the citizens in the disaster area; and

WHEREAS, these conditions threaten the public peace, health, and safety of citizens of the State of Iowa and have damaged and destroyed public and private property. Because of this, they provide legal justification for the issuance of a Proclamation of a State of Disaster Emergency pursuant to Iowa Code § 29C.6 (1).

NOW, THEREFORE, I, KIMBERLY K. REYNOLDS, Governor of the State of Iowa, by the power and authority vested in me by the Iowa Constitution Art. IV, §§ 1, 8 and Iowa Code § 29C.6 (1), and all other applicable laws, do hereby proclaim a **STATE OF DISASTER EMERGENCY** for Monona and Woodbury Counties and do hereby **ORDER** and **DIRECT** the following:

SECTION ONE. SECTION TWO. I authorize the Iowa Department of Homeland Security and Emergency Management under the terms and conditions as allowed by Iowa law to render individual disaster assistance to eligible residents of Monona and Woodbury Counties.

SECTION THREE. The Iowa Department of Homeland Security and Emergency Management, the county emergency management coordinators, and any other state agencies and

private organizations providing services associated with the Iowa Individual Assistance Grant Program or Iowa Disaster Case Advocacy are authorized to share any information necessary to ensure appropriate resources are provided to eligible residents impacted by this disaster. Such information may be shared throughout the implementation of the programs and shall continue for as long as needed to provide necessary services to residents impacted by this disaster, to include after the formal closure of the program(s).
