Subject: Cable Damages Due to Excessive Erosion along Highway 5 in
Monroe County on April 8, 2024
Iowa Communications Network (ICN)
Claim Dated April 22, 2024
AOS Claim ID: 3728

In accordance with Executive Council policy, we have examined the claim for 29C.20 funds for the above-mentioned damage. It is our conclusion that the above-mentioned damage incurred by the Iowa Communications Network (ICN) is covered by Chapter 29C.20 of the Code of Iowa. The amount requested may include costs that will be covered by a monthly maintenance contract for technician services that are not additional expenses to ICN. The actual claim for reimbursement should only be for expenses that exceed the technician hours per the maintenance agreement.

Therefore, we recommend an Executive Council allocation for the requested amount of \$12,490.78, subject to audit of actual invoices and supporting documentation and demonstration that no costs covered by the maintenance contract have been included.

Sincerely,

A handwritten signature in black ink, appearing to read "Brian R. Brustkern".

Brian R. Brustkern, CPA
Deputy Auditor of State

Re: Emergency Allocations of Funds

Dear Ms. Newton,

On or about April 8, 2024 the Iowa Communications Network (ICN) received physical damage to ICN Communications equipment in Des Moines, Iowa. An email was sent to the Office of the Auditor of State and the Executive Council. This letter represents a claim for \$12,490.78 in accordance with Chapter 29C.20 of the Code of Iowa for an emergency allocation of funds to repair damages sustained. Paid invoices will be included upon completion of repairs.

It was determined ICN equipment was exposed due to continued and excessive erosion at the base of a culvert along Iowa Highway 5 south of Albia, IA in Monroe County. Enclosed are the damage assessment and cost estimate to restore that damaged equipment to normal operating condition.

If you have any questions regarding this claim, please call my office at 515-725-4666 located in the Grimes State Office Building.

Sincerely,

Mark Johnson
Interim Executive Director

Estimate for ICN Fiber Cable Damage: Outside Plant Log #68240407

This estimate is for the relocation of an exposed ICN cable Iowa Highway 5 in Monroe County. The exposed cable is the result of continued and excessive erosion at the base of a culvert. The Executive Council was notified of the ICN's intent to submit this as a claim for reimbursement on April 8, 2024. Repair will require approximately 200 feet of new cable be placed via directional bore and introduction of two new maintenance splices.

Estimated costs for this project are listed below:

Contracted Labor and Materials	
Construction Labor	\$7,113.00
Construction Materials	\$2,131.84
Splicing Labor	\$2,930.00
ICN Provided Materials	\$315.94
Miscellaneous	\$0.00
Engineering Design	\$0.00
TOTAL:	\$12,490.78

Please feel free to contact me if you have any questions.

Good afternoon,

An ICN field technician discovered exposed warning tape and fiber along Iowa Highway 5 south of Albia. The exposure is the result of continued and excessive erosion at the base of a culvert. Further evaluation will be required to determine the best course of action, likely either lowering in place or placing new cable and maintenance splices. The ICN would like to submit this as a potential claim for reimbursement for damages due to natural causes (erosion). Please let me know of any questions.

Respectfully,

Dave Augspurger**Sr Telecom Specialist | OSP Lead**
