RE: 29C20 Reimbursement reference water related damages at ISP-Post 8 Mason City.

Dear Executive Council,

We are requesting reimbursement for the services provided in the repair of District #8's water damage and all related issues steaming from water leak damage caused by a burst pipe that occurred on 12/25/22.

I have included some of the preliminary paid invoices and proof of pavement. The total requested for reimbursements of those invoices is \$25,219.62. Additionally, the Iowa State Patrol is working with DAS to have the repairs completed. DPS originally transferred \$214,000.00 to DAS for Project No. 9336.00 via original project MOU in January of 2023. DPS has transferred an additional \$95,000 dollars in May of 2023 for this project via second executed MOU. I have attached the new conceptual budget. The second MOU was required to secure the low bid for completion of subsequent repairs.

ISP is also requesting reimbursement consideration in the amount of \$309,000.00. Executed MOUs with DAS will be attached.

The total reimbursement request for this AON event is for \$334,219.62.

If you have any questions, please feel free to contact me at 725-6100.

Thank you for your consideration.

Sincerely,

A handwritten signature in blue ink, appearing to read "Nathan Fulk".
