Good Afternoon,

I just spoke with the Treasurer at Monona County and a few additional drainage assessments were found while they processed the property tax check they received through the DNR today. I do not have original statements for these two parcels but have pulled the statement information from the Iowa Treasurer page. Will these work for both review and payment? If the attached statements and spreadsheet suffice, please review and add your recommendation for payment.

Please let me know if any additional information is needed from either of you.

Yes, I agree that was a typo. I have that parcel edited on the attached as well as a statement Mike found that should go to the DOT (7777777LLLL in Emmet county as well). That new total is \$4,939.

Whitney – Can you double check this Emmet County receipt? Should it be \$69 or \$969?

Everything else looked good

Subject: Drainage Assessments for Iowa DNR

Victoria & Mike,

Pursuant to Iowa Code Section 468.43, the attached statements for drainage taxes against land under jurisdiction of the Iowa Department of Natural Resources are enclosed for consideration by the Iowa Executive Council.

Mike, please review and provide your concurrence.

The attached list (grouped and subtotaled by county) delineates the amount of drainage taxes due for each county. The assessment receipt number, DNR area names and drainage district names are also included.

Each of the listed drainage tax statements has been examined and found to be legitimate. Payment is respectfully recommended for each. No recommendation is made regarding penalties or interest, which may be listed on the statements.

I will have a few emails following this one with the remaining scanned documents. There are also 3 counties pulled out of the mix because they have front to back statements.

Victoria - I plan to send these tomorrow, do you have a preferred destination for the notices?

Thanks,

Whitney
