Presidential Disaster Declaration DR-4642

Date(s) of Event

12/15/2021

Date of Declaration

2/23/2022

Description of Event

Severe Storms, Straight-line Winds, and Tornadoes

Description of Request

This Executive Council request is for an initial amount to cover:

- (1) pass-through match on all categories of work (emergency and permanent) for the Public Assistance Program,
- (2) pass-through match for the Hazard Mitigation Grant Program, and
- (3) extraordinary disaster costs.

These estimates are based on projected outlays of local work completion timelines and HSEMD operations for this disaster event. HSEMD will exhaust its resources from its General Fund Appropriation and other funding sources before using Executive Council funds for extraordinary disaster costs.

March 24, 2022**

WHEREAS, the Iowa Department of Agriculture and Land Stewardship in conjunction with the US Department of Agriculture has requested a specialized foaming resource to assist in the response to Highly Pathogenic Avian Influenza (HPAI) in Buena Vista County; and

WHEREAS, the Cedar Rapids Fire Department has the equipment and expertise to provide depopulation support needed for HPAI response.

WHEREAS, the Cedar Rapids Fire Department maintains an Iowa Department of Homeland Security and Emergency Management response team as defined by Iowa Code § 29C.8 (f) (1) and 605 Iowa Administrative Code Chapter 12, and has been approved and recognized by the Iowa Department of Homeland Security and Emergency Management as capable of providing services during an event of this nature, and has entered into a Memorandum of Agreement with the Iowa Department of Homeland Security and Emergency Management to do so.

THEREFORE, IT IS HEREBY ORDERED under the authority of Iowa Code § 29C.8 (f) that the below listed Cedar Rapids Fire Department personnel are activated to assist in transport and foaming operations for this event. Personnel are activated to provide technical assistance, expert guidance, transport, and use of specialized foaming equipment in support of ongoing animal depopulation efforts. The team members listed in this activation order are authorized on March 24, 2022 and will continue to support operations until depopulation activities have ended or they are directed to demobilize by the Iowa Department of Homeland Security and Emergency Management. The team should report to the HPAI Infected Premise designated as Buena Vista-3.
