Hi Mike,

I sent this to Andrew earlier, but in talking to Nate found out Andrew is no longer with the AG's office. Will you be handling drainage again this year?

Victoria, Kristi, and Andrew,

Pursuant to Iowa Code Section 468.43, the attached statements for drainage taxes against land under jurisdiction of the Iowa Department of Natural Resources are enclosed for consideration by the Iowa Executive Council.

Andrew, please review and provide your concurrence.

The attached list delineates the amount of drainage taxes due for each parcel in Story county. The assessment receipt number, DNR area names and drainage district names are also included.

Each of the listed drainage tax statements has been examined and found to be legitimate. Payment is respectfully recommended for each. No recommendation is made regarding penalties or interest, which may be listed on the statements.

Victoria/Kristi - I will have the original documents sent over via interoffice mail.

Thanks,  
Whitney

Joint Drainage District Marshall-Story #1 Main Open Ditch Landowners,

On June 25, 2024 the Marshall and Story County Boards of Supervisors, acting as drainage district trustees, approved a levy against properties in Joint Drainage District Marshall-Story #1 Main Open Ditch. The purpose of this levy is to make up a projected shortfall in payments on a project which enlarged the Main Tile and cleaned the Main Open Ditch in 2015.

Because some landowners opted to spread their assessments over 10 years, accumulating interest on unpaid claims is projected to cause a shortfall by the time final payments are made in 2025. Levying the district this year will accelerate the retirement of district debts and minimize the amount of interest the district will pay.

If you have questions regarding your assessment you can contact me at 515-382-7216 or [swall@storycountyiowa.gov](mailto:swall@storycountyiowa.gov).

Sincerely,

Scott T. Wall

Joint Drainage District Marshall-Story #1 Main Tile Landowners,

On June 25, 2024 the Marshall and Story County Boards of Supervisors, acting as drainage district trustees, approved a levy against properties in Joint Drainage District Marshall-Story #1 Main Open Ditch. The purpose of this levy is to make up a projected shortfall in payments on a project which enlarged the Main Tile and cleaned the Main Open Ditch in 2015.

Because some landowners opted to spread their assessments over 10 years, accumulating interest on unpaid claims is projected to cause a shortfall by the time final payments are made in 2025. Levying the district this year will accelerate the retirement of district debts and minimize the amount of interest the district will pay.

Marshall-Story #1 was split into sub-districts as part of the tile replacement project. Everyone in the district uses the Main Open Ditch and received an assessment notice for that this year. Everyone upstream from the Main Tile outlet uses both the Open Ditch and the Main Tile. That is why you have received two separate assessment notices in 2024.

If you have questions regarding your assessment you can contact me at 515-382-7216 or [swall@storycountyiowa.gov](mailto:swall@storycountyiowa.gov).

Sincerely,
