Actuals for ICN Fiber Cable Damage: Outside Plant Log #19220107

This invoice is for the relocation of an exposed ICN cable along Iowa Highway 24 at Simpson Creek in Chickasaw County. Field investigation determined the exposure was the result of excessive erosion and the Executive Council was notified of ICN's intent to submit this as a claim for reimbursement on September 7, 2021. Relocation required placement of approximately 265 feet of new conduit and cable and introduction of two new maintenance splices. An existing splice closure required exposure and replacement, as well. Due to existing terrain, it was anticipated that rock would be encountered and the costs of the directional bore represents this.

No FNS Tech hours services have been included in this estimate nor will they be included in final invoice (incident occurred within the monthly contracted 1500 hours of technical labor).

Actual costs for this project are listed below:

Construction Labor and materials	\$37,739.60
Splicing Labor	\$1,760.00
Fiber Network Service Hours	\$0.00
<i>materials</i>	<i>\$518.41</i>
Grand Total	\$39,499.60
	<i>\$40,018.01</i>

Please feel free to contact me if you have any questions.

Dear Mr. Donahoe:

The Executive Council, in a meeting held on this date, approved Iowa Communications Network's request for an emergency allocation in the amount of \$28,867.95, subject to the audit of invoices. Subject: Exposed Cable in Simpson Creek along Hwy 24 in Chickasaw County on
September 7, 2021
Iowa Communications Network (ICN)
Claim Dated September 10, 2021
AOS Claim ID: 2185

In accordance with Executive Council policy, we have examined the claim for 29C.20 funds for the above-mentioned damage. It is our conclusion that the above-mentioned damage incurred by the Iowa Communications Network (ICN) is covered by Chapter 29C.20 of the Code of Iowa. The amount requested may include costs that will be covered by a monthly maintenance contract for technician services that are not additional expenses to ICN. The actual claim for reimbursement should only be for expenses that exceed the technician hours per the maintenance agreement.

Therefore, we recommend an Executive Council allocation for the requested amount of \$28,867.95, subject to audit of actual invoices and supporting documentation and demonstration that no costs covered by the maintenance contract have been included.

Sincerely,

A handwritten signature in cursive script that reads "Marlys K. Gaston".
