Whitney—thanks for sending.

Kristi—this tax assessment from Monona County appears legally sufficient and may be paid in full. Please let me know if you or the executive council have any questions.

Subject: Monona County New Drainage Assessment

Kristi and Mike/Kevin,

Pursuant to Iowa Code Section 468.43, the attached statements for drainage taxes against land under jurisdiction of the Iowa Department of Natural Resources are enclosed for consideration by the Iowa Executive Council.

Mike or Kevin, please review and provide your concurrence.

The attached list (grouped and subtotaled by county) delineates the amount of drainage taxes due for each county. The assessment receipt number, DNR area names and drainage district names are also included.

Each of the listed drainage tax statements has been examined and found to be legitimate. Payment is respectfully recommended for each. No recommendation is made regarding penalties or interest, which may be listed on the statements.

Kristi - this statement was sent via email from the county, so I do not have a hard copy to have sent over.

Thanks,
Whitney
