

City of Jackson

MEMO TO: The Honorable Mayor Dwain Hahs and
Members of the Board of Aldermen

FROM: Rodney Bollinger, Director of Administrative Services 

DATE: March 28, 2024

SUBJECT: 2024 MoDOT Transportation Alternatives Grant

City staff is respectfully requesting your support of a grant application to the Missouri Department of Transportation for the construction of sidewalks and crosswalks on W. Independence St. and Broadridge Dr. near the Jackson Middle School. The 2024 Transportation Alternatives Program funding offers an 80% match of approved grant project costs, with local public agency responsible for the remaining 20% match. The grant application deadline is April 26. Projects will be awarded by MoDOT in July of 2024. Following approval of the grant, the City will then have two years to construct the improvements.

The W. Independence St. corridor is proposed to be improved through the addition of a crosswalk at the Jackson Middle School and a sidewalk along the north side of the roadway. Broadridge Dr. is proposed to be improved with the addition of a crosswalk. Conceptual drawings of the proposed improvements are attached.

The estimated cost of the project is \$500,000.00. Therefore, the City would be responsible for a minimum \$100,000.00 (or 20%) of the project.

Attached the proposed Mayor and Board of Aldermen Resolution in support of the grant application. The SEMPO Board of Directors will also be approving a similar resolution at their next meeting.

Thanks for your time and consideration of this information. As always, please feel welcome to contact me should you have any questions regarding this matter.
