Re: Tennis Court Resurfacing Project Bid Tabulation

City staff solicited bids for the resurfacing of the tennis courts in the City Park. Three bids were submitted. Gunner Energy Corp. dba General Acrylics of Mt. Vernon, Illinois was the apparent low bidder with a bid of \$39,985.00. Staff has begun the evaluation process, in the hopes of recommending the awarding of a contract at the Monday, May 20 Board of Aldermen meeting.
