RE: Jackson City Parks
Scope of services and estimated costs for work orders under existing master agreement for the following locations:
New Pickleball Courts and Improved Tennis Courts on Parkview Street

Dear Jason,

Based on our previous conversations and site visits we are proposing the following:

<u>Items of work</u>	<u>Estimated Cost</u>
Design of 4 pickleball courts including resurfaced tennis courts, lighting, fencing: Estimated based on 20% of a projected construction cost of \$ 150,200.00.	\$30,040.00
Surveying for this location and processing of data:	<u>\$3,000.00</u>
Total Costs	\$33,040.00

Deliverables: BFW will provide detailed plans, specifications, and estimates for the City’s use in seeking bids for the construction of the above noted facilities improvements.

Completion: All above-described deliverables will be completed prior to October 1, 2024 for the City’s use in advertising and soliciting bids.

We appreciate the opportunity to provide services to the City of Jackson.

Sincerely,

Bacon Farmer Workman Engineering & Testing, Inc
