Per Billing Cycle	\$	12.57	\$ 12.22

		Rate	Rate
Water (Sold at plant)			
All Gallons per 80 gallons	\$	1.00	\$ 1.00

*** Additional 2% discount on energy and demand charges available for qualifying primary service customers**

The 2.9% increase for sewer, water, and solid waste is tied to the Consumer Price Index adjustment, issued annually by the Missouri State Tax Commission. The electric increases are tied to the proposed rates provided in the 2025 Cost of Service and Rate Design Study prepared by 1898 & Co.

Utility rates are approved annually as a motion by the Board of Aldermen in December.
