RE: Utility Locating Service Contract Renewal

Attached you will find a letter confirming a contract extension for utility locating services with Precise Target Locating, LLC. We contracted with Precise Target Locating in 2020 to locate our City-owned utilities. The contract allows up to 5 years of renewals and provides the contractor with the option of asking for price increases up to the amount of that year's CPI, but no more than 5% per year. There was no price increase in 2021. This year the contractor has asked for an additional \$1.00 per located ticket. That is a 2.9% increase on the current \$35.00 per ticket cost.

No increase was sought for additional charges allowed by the contract. Additional charges included in the contract are \$45.00 for emergency after-hours locates, an extended footage fee of \$0.25 per lineal foot outside of the 200-foot normal locate radius, and a \$30.00 charge for site surveillance if requested by the owner.
