LEGAL DESCRIPTION OF TRACT (attach a copy of the most current property deed):

REASON FOR REQUEST: State the reason(s) why you believe the requested variance is necessary and compliance with the zoning code creates an undue hardship that denies all beneficial use of the property. Undue hardship must be related to condition of the property, not a condition of the owner or to a financial consideration. Attach additional page(s) as needed.

DRAWINGS: Attach a scaled plat of the tract(s) showing the entire lot, the location and size of all buildings / structures on the lot. If any buildings are to be less than the standard minimum setbacks, include these distances on the drawing. Any approved special use permit will be based on this building layout. Changes to the layout will require a new special use permit.

SURROUNDING PROPERTY OWNERS: A map of the property location and a map and list of all owners of property within 185' of the property in question will be incorporated as part of this application by the City. The 185' distance is exclusive of rights-of-way. The City will prepare this map based on the most current tax information published by the Cape Girardeau County Assessor.
