Our Approach to Renewals — Continued Partnership

The renewal rates for your Group Life insurance will be effective January 1, 2026.

For your renewal, we utilized manual rates to determine the appropriate rate for renewal. Our manual rates use the demographics of your employees to determine the appropriate rates. Factors such as gender, age, salary, occupation and plan design contribute to determining the manual rate.

Please consider this renewal package the next step in our ongoing conversation about how we can best meet your needs. We may be able to work together to help you get more value out of your benefits program or reduce overall costs. We'd be happy to re-evaluate your plan design and benefits usage and discuss your options.

Your Basic Life Renewal

We understand that handling a Life insurance claim takes a special touch. Our Life benefits analysts complete annual grief training. This program helps them empathize with beneficiaries and recognize when they need special attention. We strive to help you make a tough time easier. Our goal is to provide support with easy claim filing, timely decisions, and prompt payment of approved claims.
