Re: Street Name Correction – Columbia Drive / Odyssey Drive (Jackson Ridge Estates)

As previously reported, staff identified an inconsistency in the transition of street name between Columbia Drive and Odyssey Drive within the Jackson Ridge Estates Subdivision. According to the recorded plats for Phases 1 and 2, the street name change is located at an irregular point—aligned with the rear lot line of 1614 Jackson Ridge Drive—rather than at a logical location such as an intersection or the right-angle curve.

At the April 20 study session, the Board directed staff to correct this issue by renaming Odyssey Drive to Columbia Drive along its entire length. The first ordinance on the agenda formally implements this street name change.

A second ordinance is also required to amend the City’s Stop Street Schedule to reflect the updated street name.

Recommendation:

Staff recommends approval of both ordinances to correct the inconsistency and improve clarity for residents, emergency services, and the general public.

Please contact staff with any questions.
