Re: FLOCK Camera renewal

We are in need of a contract renewal for our FLOCK camera program. These are our License Plate Readers that are located at our four major intersections along our major thoroughfares in the city. The original contract was for 2023-2025 and this is a renewal for two more years.

We are asking for your review and approval to for us to continue our agreement with FLOCK. I have included the renewal quote for your review. We greatly appreciate your time and consideration on this crucial and important matter.
