Re: Chapter 59, Article VI - Sales Tax

Chapter 59, Article VI, of the Jackson City Code, contains the various sales taxes that have been approved by voters. This includes the imposition of sales tax for general revenue purposes (Sec. 59-151) and the transportation sales tax (Sec. 59-152).

In reviewing the Code, Matt discovered that other sales taxes previously imposed by voter approval have not been included in the Code. These additional sales taxes should be added to the Code.

A proposed ordinance is attached adding the following sales taxes previously approved in 2010, 2012 and 2018:

Sec. 59-153. Fire protection sales tax – Imposition;

Sec. 59-154. Park improvements and operations sales tax – Imposition;

Sec. 59-155. Public safety sales tax – Imposition.
