RE: Task Order for the Main Street Corridor Pedestrian Safety Study

Staff is requesting that a Task Order be issued to the Lochmueller Group, Inc for the Main Street Corridor Pedestrian Safety Study. The City was awarded a Traffic Engineering Assistance Program (TEAP) grant for the study of Main Street from West Jackson Boulevard to Hope Street. The purpose of the study would be to identify possible solutions to improve the safety of pedestrians traveling along and crossing Main Street.

Attached to this memo is a breakdown of costs required to complete the study. This cost breakdown, as well as the scope of services has been included in an Engineering Service Contract with Lochmueller Group, Inc as required by MoDOT.
