**Subject: 2022 Assistance to Firefighters Act Grant Award**

Dear Mayor and Board of Aldermen,

I brought before you in June a list of grants that we applied for. One of those was the 2022 AFG grant in the amount of nearly \$80,000 to replace a 20-year-old fill station/compressor for our breathing air in our self-contained breathing apparatus. Please see the text of the award letter with the reduced amount that was awarded as well as the city's match. We are asking for a motion to accept this award and begin the procurement process.

*Congratulations on behalf of the Department of Homeland Security. Your application submitted for the Fiscal Year (FY) 2022 Assistance to Firefighters Grant (AFG) Grant funding opportunity has been approved in the amount of \$68,809.52 in Federal funding. As a condition of this grant, you are required to contribute non-Federal funds equal to or greater than 5.00% of the Federal funds awarded, or \$3,440.48 for a total approved budget of \$72,250.00. Please see the FY 2022 AFG Notice of Funding Opportunity for information on how to meet this cost share requirement. Before you request and receive any of the Federal funds awarded to you, you must establish acceptance of the award through the FEMA Grants Outcomes (FEMA GO) system. By accepting this award, you acknowledge that the terms of the following documents are incorporated into the terms of your award:*
