Bonds may be transferred and exchanged only on the Bond Register as provided in this Section. Upon surrender of any Bond at the office of the Paying Agent, the Paying Agent shall transfer or exchange such Bond for a new Bond or Bonds in any authorized denomination of the same Stated Maturity and in the same aggregate principal amount as the Bond that was presented for transfer or exchange. Bonds presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guarantee of signature satisfactory to the Paying Agent, duly executed by the Registered Owner thereof or by the Registered Owner's duly authorized agent.

Any additional costs or fees that might be incurred in the secondary market, other than fees of the Paying Agent, are the responsibility of the Registered Owners of the Bonds. If any Registered Owner fails to provide a correct taxpayer identification number to the Paying Agent, the Paying Agent may make a charge against such Registered Owner sufficient to pay any governmental charge required to be paid as a result of such failure. In compliance with Section 3406 of the Code, such amount may be deducted by the Paying Agent from amounts otherwise payable to such Registered Owner hereunder or under the Bonds.

(d) The City and the Paying Agent shall not be required (1) to register the transfer or exchange of any Bond after notice calling such Bond or portion thereof for redemption has been given or during the period of 15 days next preceding the first mailing of such notice of redemption, or (2) to register the transfer or exchange of any Bond during a period beginning at the opening of business on the day after receiving written notice from the City of its intent to pay Defaulted Interest and ending at the close of business on the date fixed for the payment of Defaulted Interest pursuant to **Section 204**.

(e) The City and the Paying Agent may deem and treat the Person in whose name any Bond is registered on the Bond Register as the absolute owner of such Bond, whether such Bond is overdue or not, for the purpose of receiving payment of, or on account of, the principal or Redemption Price of and interest on said Bond and for all other purposes. All payments so made to any such Registered Owner or upon the Registered Owner's order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the City nor the Paying Agent shall be affected by any notice to the contrary.

(f) At reasonable times and under reasonable regulations established by the Paying Agent, the Bond Register may be inspected and copied by the Registered Owners of 10% or more in principal amount of the Bonds then Outstanding or any designated representative of such Registered Owners whose authority is evidenced to the satisfaction of the Paying Agent.

In case any officer whose signature appears on any Bond ceases to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, as if such Person had remained in office until delivery. Any Bond may be signed by such Persons who at the actual time of the execution of such Bond are the proper officers to sign such Bond although at the date of such Bond such Persons may not have been such officers.

(b) The Mayor and City Clerk are hereby authorized and directed to prepare and execute the Bonds as herein specified and when duly executed, to deliver the Bonds to the Paying Agent for authentication.

(c) The Bonds shall have endorsed thereon a certificate of authentication substantially in the form set forth in **Exhibit A**, which shall be manually executed by an authorized signatory of the Paying Agent, but it shall not be necessary that the same signatory sign the certificate of authentication on all of the Bonds that may be issued hereunder at any one time. No Bond shall be entitled to any security or benefit under this Ordinance or be valid or obligatory for any purpose unless and until such certificate of authentication has been duly executed by the Paying Agent. Such executed certificate of authentication upon any Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Ordinance. Upon authentication, the Paying Agent shall deliver the Bonds to or upon the order of the Lender, upon payment to the City of the purchase price of the Bonds.

Section 302. Selection of Bonds to Be Redeemed.

(a) The Paying Agent shall call Bonds for redemption and payment and shall give notice of such redemption as herein provided upon receipt by the Paying Agent at least 45 days prior to the Redemption Date of written instructions from the City specifying the principal amount, Stated Maturity, Redemption Date and Redemption Price of the Bonds to be called for redemption. If any Bonds are refunded more than 90 days in advance of such Redemption Date, any escrow agreement entered into by the City in connection with such refunding shall provide that such written instructions to the Paying Agent shall be given by the City or by the escrow agent on behalf of the City not less than 45 days prior to the Redemption Date. The Paying Agent may in its discretion waive such notice period so long as the notice requirements set forth in **Section 303** are met. The foregoing provisions of this paragraph shall not apply in the case of any mandatory redemption of Bonds hereunder, and Bonds shall be called by the Paying Agent for redemption pursuant to such mandatory redemption requirements without the necessity of any action by the City and whether or not the City shall hold in the Debt Service Account moneys available and sufficient to effect the required redemption.

(b) Bonds shall be redeemed only in the principal amount of \$5,000 or any integral multiple thereof. When less than all of the Outstanding Bonds are to be redeemed, such Bonds shall be redeemed in inverse order of their Stated Maturity or mandatory Redemption Date.

(c) In the case of a partial redemption of Bonds, when Bonds of denominations greater than \$5,000 are then Outstanding, then for all purposes in connection with such redemption each \$5,000 of face value shall be treated as though it were a separate Bond of the denomination of \$5,000. If it is determined that one or more, but not all, of the \$5,000 units of face value represented by any Bond are selected for redemption, then upon notice of intention to redeem such \$5,000 unit or units, the Registered Owner of such Bond or the Registered Owner's duly authorized agent shall present and surrender such Bond to the Paying Agent (1) for payment of the Redemption Price and interest to the Redemption Date of such \$5,000 unit or units of face value called for redemption, and (2) for exchange, without charge to the Registered Owner thereof, for a new Bond or Bonds of the aggregate principal amount of the unredeemed portion of the principal amount of such Bond. If the Registered Owner of any such Bond fails to present such Bond to the Paying Agent for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the Redemption Date to the extent of the \$5,000 unit or units of face value called for redemption (and to that extent only). Notwithstanding anything contained herein to the contrary, the Bonds only need to be presented for payment upon final maturity or redemption in full.

Section 303. Notice and Effect of Call for Redemption.

(a) Unless waived by any Registered Owner of Bonds to be redeemed, official notice of any redemption shall be given by the Paying Agent on behalf of the City by mailing a copy of an official redemption notice by first-class mail at least 10 days prior to the Redemption Date to each Registered Owner of the Bonds to be redeemed at the address shown on the Bond Register.

(b) All official notices of redemption shall be dated and shall contain the following information:

(1) the Redemption Date;

(2) the Redemption Price;

(3) if less than all Outstanding Bonds are to be redeemed, the identification number and Stated Maturity (and, in the case of partial redemption of any Bonds, the respective principal amounts) of the Bonds to be redeemed;

(4) a statement that on the Redemption Date the Redemption Price will become due and payable upon each Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the Redemption Date; and

(5) the place where such Bonds are to be surrendered for payment of the Redemption Price.

(c) The failure of any Registered Owner to receive notice given as heretofore provided or any defect therein shall not invalidate any redemption.

(d) All notices of optional redemption shall be irrevocable.

(e) Official notice of redemption having been given as aforesaid, the Bonds or portions of the Bonds to be redeemed shall become due and payable on the Redemption Date, at the Redemption Price therein specified, and from and after the Redemption Date (unless the City defaults in the payment of the Redemption Price) such Bonds or portions of the Bonds shall

cease to bear interest. Upon surrender of such Bonds for redemption in accordance with such notice, the Redemption Price of such Bonds shall be paid by the Paying Agent. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the Registered Owner a new Bond or Bonds of the same Stated Maturity in the amount of the unpaid principal as provided herein. All Bonds that have been redeemed shall be canceled and destroyed by the Paying Agent as provided herein and shall not be reissued.

ARTICLE IV
SECURITY FOR BONDS

Section 401. Security for Bonds.

(a) The Bonds shall be special, limited obligations of the City payable solely from, and secured as to the payment of principal and interest by a pledge of, the Net Revenues of the System, and the City hereby pledges said Net Revenues to the payment of the principal of and interest on the Bonds. The Bonds shall not be or constitute a general obligation of the City, nor shall they constitute an indebtedness of the City within the meaning of any constitutional or statutory provision, limitation or restriction, and the taxing power of the City is not pledged to the payment of the Bonds, either as to principal or interest.

(b) The covenants and agreements of the City contained herein and in the Bonds shall be for the equal benefit, protection and security of the legal Owners of any or all of the Bonds, all of which Bonds shall be of equal rank and without preference or priority of one Bond over any other Bond in the application of the funds herein pledged to the payment of the principal of and interest on the Bonds, or otherwise, except as to rate of interest, date of maturity and right of prior redemption as provided in this Ordinance.

(c) The Bonds shall stand on a parity and be equally and ratably secured with respect to the payment of principal and interest from the Net Revenues of the System and in all other respects with any Parity Bonds. The Bonds shall not have any priority with respect to the payment of principal or interest from the Net Revenues or otherwise over any Parity Bonds, and any Parity Bonds shall not have any priority with respect to the payment of principal or interest from the Net Revenues or otherwise over the Bonds.

ARTICLE V

Section 502. Deposit of Bond Proceeds. The net proceeds received from the sale of the Bonds shall be deposited simultaneously with the delivery of the Bonds in the Project Fund and applied in accordance with **Section 503**.

Section 503. Application of Moneys in the Project Fund.

(a) Moneys in the Project Fund shall be used solely for the purpose of paying (1) the costs of the Project in accordance with the plans and specifications therefor prepared by the Consultant or the City's engineer(s), heretofore approved by the Board of Aldermen of the City and on file in the office of the City Clerk, including any alterations in or amendments to said plans and specifications deemed advisable by the Consultant or the City's engineer(s) and approved by the Board of Aldermen of the City and (2) the costs of issuing the Bonds.

(b) Withdrawals from the Project Fund shall be made only when authorized by the Board of Aldermen of the City and only on duly authorized and executed warrants or vouchers therefor accompanied by a certificate executed by the Consultant or the City's engineer(s) that such payment is being made for a purpose within the scope of this Ordinance and that the amount of such payment represents only the contract price of the property, equipment, labor, materials or services being paid for or, if such payment is not being made pursuant to an express contract, that such payment is not in excess of the reasonable value thereof. Nothing hereinbefore contained shall prevent the payment out of the Project Fund of all costs and expenses incident to the issuance of the Bonds and interest accruing on the Bonds during the period of construction of the Project or withdrawals of sums for investment or reinvestment purposes under the terms of this Ordinance without a certificate from the Consultant or the City's engineer(s).

(c) Upon completion of the Project, all surplus moneys remaining in the Project Fund and not required for the payment of unpaid costs thereof shall be deposited into the Debt Service Account.

ARTICLE VI
APPLICATION OF REVENUES

Section 601. Revenue Fund. The City covenants and agrees that from and after the delivery of the Bonds, and continuing as long as any of the Bonds remain Outstanding hereunder, all of the Revenues derived and collected from the operation of the System shall, as and when received, be paid and deposited into the Revenue Fund unless otherwise specifically provided by this Ordinance. Said Revenues shall be segregated and kept separate and apart from all other moneys, revenues, funds and accounts of the City and shall not be commingled with any other moneys, revenues, funds and accounts of the City. The Revenue Fund shall be administered and applied solely for the purposes and in the manner provided in this Ordinance and the Parity Ordinances.

Section 602. Application of Moneys in Funds and Accounts. (b) *Debt Service Account.* There shall next be paid and credited monthly to the Debt Service Account, to the extent necessary to meet on each Bond Payment Date the payment of all interest on and principal of the Bonds, the following sums:

(1) Beginning on June 1, 2023, and continuing on the first day of each month thereafter to and including December 1, 2023, an amount not less than 1/7 of the amount of interest becoming due on the Bonds on January 1, 2024, and thereafter, beginning on January 1, 2024, and continuing on the first day of each month thereafter, so long as any of the Bonds remain Outstanding and unpaid, an amount not less than 1/6 of the amount of interest that will become due on the Bonds on the next succeeding Interest Payment Date; and

(2) Beginning on June 1, 2023, and continuing on the first day of each month thereafter to and including June 1, 2024, an amount not less than 1/13 of the amount of principal becoming due on the Bonds on July 1, 2024, and thereafter, beginning on July 1, 2024, and continuing on the first day of each month thereafter, so long as any of the Bonds remain Outstanding and unpaid, an amount not less than 1/12 of the amount of principal that will become due on the Bonds on the next succeeding Maturity date.

The amounts required to be paid and credited to the Debt Service Account pursuant to this Section shall be paid at the same time and on a parity with the amounts at the time required to be paid and credited to the debt service accounts established for the payment of principal and interest on the Parity Bonds under the provisions of the Parity Ordinances.

All amounts paid and credited to the Debt Service Account shall be expended and used by the City for the sole purpose of paying the interest on and principal of the Bonds as and when the same becomes due on each Bond Payment Date.

If at any time the moneys in the Revenue Fund are insufficient to make in full the payments and credits at the time required to be made to the Debt Service Account and to the debt service accounts established to pay the principal of and interest on any Parity Bonds, the available moneys in the Revenue Fund shall be divided among such debt service accounts in proportion to the respective principal amounts of said series of Parity Bonds at the time outstanding which are payable from the moneys in said debt service accounts.

(c) *Surplus Moneys.* After all payments and credits required at the time to be made under the provisions of paragraphs (a) and (b) of this Section have been made, all moneys remaining in the Revenue Fund may be expended and used for the following purposes as determined by the governing body of the City:

(2) Paying the cost of extending, enlarging or improving the System;

(3) Preventing default in, anticipating payments into or increasing the amounts in the Debt Service Account referred to in paragraph (b) of this Section, or establishing or increasing the amount of any debt service account, debt service reserve account or depreciation and replacement account created by the City for the payment of the Parity Bonds;

(4) Calling, redeeming and paying prior to their Stated Maturity, or, at the option of the City, purchasing in the open market at the best price obtainable not exceeding the Redemption Price (if any bonds are callable), the Bonds or the Parity Bonds, including principal, interest and redemption premium, if any; or

(5) Any other lawful purpose in connection with the operation of the System and benefiting the System.

So long as any of the Bonds remain Outstanding, no moneys derived from the operation of the System shall be diverted to any other purpose.

(d) *Deficiency of Payments into Funds and Accounts.* If at any time the Revenues are insufficient to make any payment on the date or dates hereinbefore specified, the City will make good the amount of such deficiency by making additional payments or credits out of the first available Revenues thereafter received from the operation of the System, such payments and credits being made and applied in the order hereinbefore specified in this Section.

Section 603. Transfer of Funds to Paying Agent. The City Administrator or other authorized officer of the City is hereby authorized and directed to withdraw from the Debt Service Account sums sufficient to pay the principal of and interest on the Bonds as and when the same becomes due on any Bond Payment Date, and to forward such sums to the Paying Agent in a manner which ensures the Paying Agent will have available funds in such amounts on or before the Business Day immediately preceding each Bond Payment Date. If, through lapse of time, or otherwise, the Registered Owners of Bonds are no longer entitled to enforce payment of their obligations, it shall be the duty of the Paying Agent forthwith to return said funds to the City. All moneys deposited with the Paying Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Ordinance.

Section 604. Payments Due on Saturdays, Sundays and Holidays. In any case where a Bond Payment Date is not a Business Day, then payment of principal, Redemption Price or interest need not be made on such Bond Payment Date but may be made on the next succeeding Business Day with the same force and effect as if made on such Bond Payment Date, and no interest shall accrue for the period after such Bond Payment Date.

Section 605. Nonpresentment of Bonds. If any Bond is not presented for payment when the principal thereof becomes due at Maturity and if funds sufficient to pay such Bond have been made available to the Paying Agent, then all liability of the City to the Registered Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the Registered Owner of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Ordinance or on, or with respect to, said Bond. If any Bond is not presented for payment within one year following the date when such Bond becomes due at Maturity, the Paying Agent shall, without liability for interest thereon, repay to the City the funds theretofore held by it for payment of such Bond, and such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the City, and the Registered Owner thereof shall be entitled to look only to the City for payment, and then only to the extent of the amount so repaid to it by the Paying Agent, and the City shall not be liable for any interest thereon and shall not be regarded as a trustee of such money. Notwithstanding anything contained herein to the contrary, the Bonds only need to be presented for payment upon final maturity or redemption in full.

ARTICLE VII

Section 701. Deposit and Investment of Moneys.

All such deposits shall be continuously and adequately secured by the banks or financial institutions holding such deposits as provided by the laws of the State of Missouri.

(b) Moneys held in any fund or account referred to in this Ordinance may be invested in Permitted Investments; provided, however, that no such investment shall be made for a period extending longer than the date when the moneys invested may be needed for the purpose for which such fund or account was created. All earnings on any investments held in any fund or account shall accrue to and become a part of such fund or account. In determining the amount held in any fund or account under any of the provisions of this Ordinance, obligations shall be valued at the lower of the cost or the market value thereof.

ARTICLE VIII GENERAL COVENANTS AND PROVISIONS

The City covenants and agrees with each of the Registered Owners of any of the Bonds that so long as any of the Bonds remain Outstanding and unpaid it will comply with each of the following covenants:

Section 801. Efficient and Economical Operation. The City will continuously own and will operate the System as a revenue producing facility in an efficient and economical manner and will keep and maintain the same in good repair and working order. The City will establish and maintain such rules and regulations for the use of the System as may be necessary to assure maximum utilization and most efficient operation of the System.

Section 802. Rate Covenant. The City in accordance with and subject to applicable legal requirements will fix, establish, maintain and collect such rates and charges for the use and services furnished by or through the System which, together with other Revenues, will be sufficient to (a) pay the costs of the operation and maintenance of the System; (b) pay the principal of and interest on the Bonds as and when the same becomes due at the Maturity thereof or on any Interest Payment Date; (c) enable the City to have in each fiscal year Net Revenues not less than 110% of the actual Debt Service Requirements for such fiscal year; and (d) provide reasonable and adequate reserves for the payment of the Bonds and the interest thereon and for the protection and benefit of the System as provided in this Ordinance. The City will require the prompt payment of accounts for service rendered by or through the System and will promptly take whatever action is legally permissible to enforce and collect delinquent charges. The City will, from time to time as often as necessary, in accordance with and subject to applicable legal requirements, revise the rates and charges aforesaid in such manner as may be necessary or proper so that the Net Revenues will be sufficient to cover the obligations under this Section and otherwise under the provisions of this Ordinance. If in any fiscal year Net Revenues are an amount less than as hereinbefore provided, the City will immediately employ a Consultant to make recommendations with respect to such rates and charges. A copy of the Consultant's report and recommendations shall be filed with the City Clerk and the Lender and shall be furnished to any Registered Owner of the Bonds requesting a copy of the same, at the cost of such Registered Owner. The City shall, to the extent feasible, follow the recommendations of the Consultant.

Section 803. Reasonable Charges for all Services. None of the facilities or services provided by the System will be furnished to any user (excepting the City itself) without a reasonable charge being made therefor. If the Revenues derived from the System are at any time insufficient to pay the reasonable Expenses of the System and also to pay all interest on and principal of the Bonds as and when the same becomes due, then the City will thereafter pay into the Revenue Fund a fair and reasonable payment in accordance with effective applicable rates and charges for all services furnished to the City or any of its departments by the System, and such payments will continue so long as the same may be necessary in order to prevent or reduce the amount of any default in the payment of the interest on or principal of the Bonds.

Section 804. Restrictions on Mortgage or Sale of System. The City will not mortgage, pledge or otherwise encumber the System or any part thereof, nor will it sell, lease or otherwise dispose of the System or any material part thereof; provided, however, the City may:

(a) sell at fair market value any portion of the System which has been replaced by other similar property of at least equal value, or which ceases to be necessary for the efficient operation of the System, and in the event of sale, the City will apply the proceeds to either (1) redemption of Outstanding Bonds in accordance with the provisions governing repayment of Bonds in advance of their Stated Maturity, or (2) replacement of the property so disposed of by other property the revenues of which shall be incorporated into the System as hereinbefore provided;

(b) cease to operate, abandon or otherwise dispose of any property which has become obsolete, nonproductive or otherwise unusable to the advantage of the City;

(c) lease, (1) as lessor, any real or personal property which is unused or unimproved, or which has become obsolete, nonproductive or otherwise unusable to the advantage of the City, or which is being acquired as a part of a lease/purchase financing for the acquisition and/or improvement of such property, and/or (2) as lessee, with an option of the City to purchase, any real or personal property for the extension and improvement of the System. Property being leased as lessor and/or lessee pursuant to this subparagraph (c) shall not be treated as part of the System for purposes of this **Section 804** and may be mortgaged, pledged or otherwise encumbered; and

(d) sell, lease or convey all or substantially all of the System to another entity or enter into a management contract with another entity, with the prior written consent of the Registered Owners (which will not be unreasonably withheld), if:

(1) The transferee entity is a political subdivision organized and existing under the laws of the State of Missouri, or instrumentality thereof, or an organization described in Section 501(c)(3) of the Code, and expressly assumes in writing the due and punctual payment of the principal of and premium, if any, and interest on all outstanding System Revenue Bonds according to their tenor, and the due and punctual performance and observance of all of the covenants and conditions of this Ordinance;

(2) If there remains unpaid any System Revenue Bond which bears interest that is not includable in gross income under the Code, the City receives an opinion of Bond Counsel, in form and substance satisfactory to the City, to the effect that under then existing law the consummation of such sale, lease or conveyance, whether or not contemplated on any date of the delivery of such System Revenue Bond, would not cause the interest payable on such System Revenue Bond to become includable in gross income under the Code;

(3) The City receives a certificate of the Consultant which demonstrates and certifies that immediately upon such sale or conveyance the transferee entity will not, as a result thereof, be in default in the performance or observance of any covenant or agreement to be performed or observed by it under this Ordinance;

(4) Such transferee entity possesses such licenses to operate the System as may be required if it is to operate the System; and

(5) The City receives an opinion of Bond Counsel, in form and substance satisfactory to the City, as conclusive evidence that any such sale, lease or conveyance, and any such assumption, is permitted by law and complies with the provisions of this Section.

Section 805. Insurance. The City will carry and maintain insurance with respect to the System and its operations against such casualties, contingencies and risks (including but not limited to property and casualty, fire and extended coverage insurance upon all of the properties forming a part of the System insofar as the same are of an insurable nature, public liability, business interruption or workers' compensation and employee dishonesty insurance), such insurance to be of the character and coverage and in such amounts as would normally be carried by other enterprises engaged in similar activities of comparable size and similarly situated. In the event of loss or damage, the City, with reasonable dispatch, will use the proceeds of such insurance in reconstructing and replacing the property damaged or destroyed, or in paying the claims on account of which such proceeds were received, or if such reconstruction or replacement is unnecessary or impracticable, then the City will pay and deposit the proceeds of such insurance into the Revenue Fund. The City will annually review the insurance it maintains with respect to the System to determine that it is customary and adequate to protect its property and operations. The City may elect to be self-insured for all or any part of the foregoing requirements if (a) the City annually obtains a written evaluation with respect to such self-insurance program from an Insurance Consultant, (b) the evaluation is to the effect that the self-insurance program is actuarially sound, (c) unless the evaluation states that such reserves are not necessary, the City deposits and maintains adequate reserves for the self-insurance program with a corporate trustee, who may be the Paying Agent, and (d) in the case of workers' compensation, adequate reserves created by the City for such self-insurance program are deposited and maintained in such amount and manner as are acceptable to the State of Missouri. The City shall pay any fees and expenses of such Insurance Consultant in connection therewith. The cost of all insurance obtained pursuant to the requirements of this Section shall be paid as an Expense out of the Revenues.

Section 806. Books, Records and Accounts. The City will install and maintain proper books, records and accounts (entirely separate from all other records and accounts of the City) in which complete and correct entries will be made of all dealings and transactions of or in relation to the System. Such accounts shall show the amount of Revenues received from the System, the application of such Revenues, and all financial transactions in connection therewith. Said books shall be kept by the City according to standard accounting practices as applicable to the operation of facilities comparable to the System.

Section 807. Annual Budget. Prior to the commencement of each fiscal year, the City will cause to be prepared and filed with the City Clerk a budget setting forth the estimated receipts and expenditures of the System for the next succeeding fiscal year. Upon request, the City Clerk will mail a copy of said budget to the Lender. Said annual budget shall be prepared in accordance with the requirements of the laws of Missouri and shall contain all information that is required by such laws.

Section 808. Annual Audit.

(a) Within 210 days after the end of the fiscal year, the City will cause an audit to be made of the System for the preceding fiscal year by a certified public accountant or firm of certified public accountants to be employed for that purpose and paid from the Revenues. Said annual audit shall cover in reasonable detail the operation of the System during such fiscal year and shall evidence compliance with the rate covenant contained in **Section 802**.

(b) The City shall provide a copy of the audit to the Lender within 210 days after the end of the fiscal year. The audit shall at all times during usual business hours be open to examination and inspection by any taxpayer, any user of the services of the System, any Registered Owner of any of the Bonds or by anyone acting for or on behalf of such taxpayer, user or Registered Owner.

(c) As soon as possible after the completion of the annual audit, the governing body of the City shall review the audit, and if the audit discloses that proper provision has not been made for all of the requirements of this Ordinance and the Act, the City will promptly cure such deficiency and will promptly proceed to increase the rates and charges to be charged for the use and services furnished by the System as may be necessary to adequately provide for such requirements.

Section 809. Right of Inspection. The Lender and any Registered Owner or Owners of not less than 10% of the principal amount of the Bonds then Outstanding shall have the right at all reasonable times to inspect the System and all records, accounts and data relating thereto, and shall be furnished all such information concerning the System and the operation thereof which the Lender or such Registered Owner or Owners may reasonably request.

Section 810. Administrative Personnel. The City shall use its best efforts to employ at all times administrative personnel experienced and well qualified to operate the System. The City further agrees that such administrative personnel shall be employed in sufficient numbers to ensure that the System will be operated in a prudent and efficient manner, following procedures generally accepted within the United States of America.

Section 811. Performance of Duties and Covenants. The City will faithfully and punctually perform all duties, covenants and obligations with respect to the operation of the System now or hereafter imposed upon the City by the Constitution and laws of the State of Missouri and by the provisions of this Ordinance.

Section 812. Tax Covenants.

(a) The City covenants and agrees that it will comply with all applicable provisions of the Code, including Sections 103 and 141 through 150, necessary to maintain the exclusion from federal gross income of the interest on the Bonds.

(b) The City also covenants and agrees to comply with all provisions and requirements of the Federal Tax Certificate, which is hereby approved, with such changes therein as shall be approved by the Mayor and the Assistant City Administrator, which officers are hereby authorized to execute the Federal Tax Certificate for and on behalf of the City, such officers' signatures thereon being conclusive evidence of their approval thereof.

Section 813. Parity Bond Certification. The City hereby represents and covenants that the Bonds directed to be issued by this Ordinance are so issued in full compliance with the restrictions and conditions upon which the City may issue additional bonds payable out of the revenues derived from the operation of the System and which stand on a parity with the Parity Bonds heretofore issued and outstanding, as set forth and contained in the Parity Ordinances, and that the Bonds herein directed to be issued are so issued in all respects on a parity and equality with the Parity Bonds heretofore issued and outstanding.

Section 902. Parity Lien Bonds and Other Obligations. The City covenants and agrees that so long as any of the Bonds remain Outstanding, it will not issue any additional bonds or other long-term obligations payable out of the Net Revenues of the System or any part thereof which stand on a parity or equality with the Bonds ("Parity Bonds") unless the following conditions are met:

(a) The City shall not be in default in the payment of principal of or interest on any Bonds or any Parity Bonds at the time outstanding or in making any payment at the time required to be made into the respective funds and accounts created by and referred to in this Ordinance or any Parity Ordinance (unless such additional revenue bonds or obligations are being issued to provide funds to cure such default); and

(b) The City shall either:

(1) Certify that the average annual Net Revenues as set forth in the two most recent annual audits for fiscal years preceding the issuance of additional bonds have been equal to at least 110% of the average annual debt service required to be paid out of said revenues in any succeeding fiscal year on account of both principal (at maturity or upon mandatory redemption) and interest becoming due with respect to all System Revenue Bonds of the City, including the additional bonds proposed to be issued. In determining the Net Revenues for the purpose of this subsection, the City may retain a Consultant who may adjust said Net Revenues by adding thereto, if the City has made any increase in rates for the use and services of the System and such increase has been in effect at any time during the two fiscal years for which annual audits are available preceding the issuance of additional bonds, the amount, as estimated by the Consultant, of the additional Net Revenues which would have resulted from the operation of the System during said fiscal years had such rate increase been in effect for the entire period; or

(2) Obtain a certification from a Consultant that the average annual Net Revenues projected to be derived by the City for the two fiscal years immediately following the fiscal year in which the improvements to the System, the cost of which is being financed by such additional bonds, are to be in commercial operation, shall be equal to at least 110% of the average annual debt service required to be paid out of said revenues in any succeeding fiscal year following such commercial operation on account of both principal (at maturity or upon mandatory redemption) and interest becoming due with respect to all System Revenue Bonds of the City, including the additional bonds proposed to be issued. In determining the projected Net Revenues for the purpose of this subsection, the Consultant may adjust said Net Revenues by adding thereto any estimated increase in Net Revenues resulting from any increase in rates for the use and services of the System which, in the opinion of the Consultant, are economically feasible and reasonably considered necessary based on projected operations of the System.

(c) Additional revenue bonds of the City issued under the conditions set forth in this Section shall stand on a parity with the Bonds and shall enjoy complete equality or lien on and claim against the Net Revenues with the Bonds, and the City may make equal provision for paying said bonds and the interest thereon out of the Revenue Fund and may likewise provide for the creation of reasonable debt service accounts and debt service reserve accounts for the payment of such additional bonds and the interest thereon out of moneys in the Revenue Fund.

Section 903. Junior Lien Bonds and Other Obligations. Nothing contained in this Section shall prohibit or restrict the right of the City to issue additional revenue bonds or other revenue obligations for any lawful purpose in connection with the operation of the System and benefiting the System and to provide that the principal of and interest on said revenue bonds or

obligations shall be payable out of the Net Revenues of the System, provided at the time of the issuance of such additional revenue bonds or obligations the City is not in default in the performance of any covenant or agreement contained in this Ordinance (unless such additional revenue bonds or obligations are being issued to provide funds to cure such default), and provided further that such additional revenue bonds or obligations shall be junior and subordinate to the Bonds so that if at any time the City is in default in paying either interest on or principal of the Bonds, or if the City is in default in making any payments required to be made by it under the provisions of paragraph (a) or (b) of **Section 602**, the City shall make no payments of either principal or interest on said junior and subordinate revenue bonds or obligations until said default or defaults be cured. If any such junior and subordinate revenue bonds or obligations are issued, the City, subject to the provisions aforesaid, may make provision for paying the principal of and interest on said revenue bonds or obligations out of moneys in the Revenue Fund. Principal and interest payments on any junior and subordinate bonds or obligations payable from Net Revenues shall be made on the same days as principal and interest are due on the Parity Bonds.

Section 904. Refunding Bonds. The City shall have the right, without complying with the provisions of **Section 902**, to refund any of the Bonds under the provisions of any law then available, and the refunding bonds so issued shall enjoy complete equality of pledge with any of the Bonds or the Parity Bonds which are not refunded, if any, upon the Net Revenues; provided, however, that if only a portion of the Bonds are refunded and if said Bonds are refunded in such manner that the refunding bonds bear a higher average rate of interest or become due on a date earlier than that of the Bonds which are refunded, then said Bonds may be refunded without complying with the provisions of **Section 902** only by and with the written consent of the Registered Owners of a majority in principal amount of the Bonds not refunded.

ARTICLE X DEFAULT AND REMEDIES

Section 1001. Acceleration of Maturity Upon Default. The City covenants and agrees that if it defaults in the payment of the principal of or interest on any of the Bonds as the same becomes due on any Bond Payment Date, or if the City or its governing body or any of the officers, agents or employees thereof fail or refuse to comply with any of the provisions of this Ordinance or of the Constitution or statutes of the State of Missouri, and such default continues for a period of 30 days after written notice specifying such default has been given to the City by the Registered Owner of any Bond then Outstanding, then, at any time thereafter and while such default continues, the Registered Owners of not less than 25% in principal amount of the Bonds then Outstanding may, by written notice to the City filed in the office of the City Clerk or delivered in person to said City Clerk, declare the principal of all Bonds then Outstanding to be due and payable immediately, and upon any such declaration given as aforesaid, all of said Bonds shall become and be immediately due and payable, anything contained in this Ordinance or in the Bonds to the contrary notwithstanding. This provision, however, is subject to the condition that if at any time after the principal of said Outstanding Bonds has been so declared to be due and payable, all arrears of interest upon all of said Bonds, except interest accrued but not yet due on such Bonds, and all arrears of principal upon all of said Bonds has been paid in full and all other defaults, if any, by the City under the provisions of this Ordinance and under the provisions of the statutes of the State of Missouri have been cured, then and in every such case the Registered Owners of a majority in principal amount of the Bonds then Outstanding, by written notice to the City given as hereinbefore specified, may rescind and annul such declaration and its consequences, but no such rescission or annulment shall extend to or affect any subsequent default or impair any rights consequent thereon.

Section 1002. Other Remedies. The provisions of this Ordinance, including the covenants and agreements herein contained, shall constitute a contract between the City and the Registered Owners of the Bonds, and the Registered Owner or Owners of not less than 10%

in principal amount of the Bonds at the time Outstanding shall have the right for the equal benefit and protection of all Registered Owners of Bonds similarly situated:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of such Registered Owner or Owners against the City and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of this Ordinance or by the Constitution and laws of the State of Missouri;

(b) by suit, action or other proceedings in equity or at law to require the City, its officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Registered Owners of the Bonds.

Section 1003. Limitation on Rights of Bondowners. No one or more Bondowners secured hereby shall have any right in any manner whatsoever by his or their action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided, and all proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Bondowners.

Section 1004. Remedies Cumulative. No remedy conferred herein upon the Bondowners is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by any Bondowner shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies consequent thereon. No delay or omission of any Bondowner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Bondowners by this Ordinance may be enforced and exercised from time to time and as often as may be deemed expedient. If any suit, action or proceedings taken by any Bondowner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or has been determined adversely to such Bondowner, then, and in every such case, the City and the Bondowners shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Bondowners shall continue as if no such suit, action or other proceedings had been brought or taken.

Section 1005. No Obligation to Levy Taxes. Nothing contained in this Ordinance shall be construed as imposing on the City any duty or obligation to levy any taxes either to meet any obligation incurred herein or to pay the principal of or interest on the Bonds.

ARTICLE XI
DEFEASANCE

Section 1101. Defeasance.

(a) When any or all of the Bonds or the interest payments thereon have been paid and discharged, then the requirements contained in this Ordinance and the pledge of Net Revenues made hereunder and all other rights granted hereby shall terminate with respect to the Bonds or interest payments so paid and discharged. Bonds or the interest payments thereon shall be deemed to have been paid and discharged within the meaning of this Ordinance if there has been deposited with the Paying Agent, or other commercial bank or trust company located in the State of Missouri and having full trust powers, at or prior to the Stated Maturity or Redemption Date of said Bonds or the interest payments thereon, in trust for and irrevocably appropriated thereto, money and/or Defeasance Obligations which, together with the interest to be earned thereon, will be sufficient for the payment of the principal or Redemption Price of said Bonds,

and/or interest to accrue on such Bonds to the Stated Maturity or Redemption Date, as the case may be, or if default in such payment shall have occurred on such date, then to the date of the tender of such payments; provided, however, that if any such Bonds shall be redeemed prior to the Stated Maturity thereof, (1) the City shall have elected to redeem such Bonds, and (2) either notice of such redemption shall have been given, or the City shall have given irrevocable instructions, or shall have provided for an escrow agent to give irrevocable instructions, to the Paying Agent to redeem such Bonds in compliance with **Section 302(a)**. Any money and Defeasance Obligations that at any time shall be deposited with the Paying Agent or other commercial bank or trust company by or on behalf of the City, for the purpose of paying and discharging any of the Bonds or the interest payments thereon, shall be and are hereby assigned, transferred and set over to the Paying Agent or other commercial bank or trust company in trust for the respective Registered Owners of the Bonds, and such money shall be and are hereby irrevocably appropriated to the payment and discharge thereof. All money and Defeasance Obligations deposited with the Paying Agent or other commercial bank or trust company shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Ordinance.

(b) To accomplish a defeasance of the Bonds or the interest payments thereon when the City will rely on interest to be earned on any Defeasance Obligations deposited as described in paragraph (a) above, the City shall cause to be delivered to the Paying Agent (1) a report of an independent firm of nationally recognized certified public accountants verifying the sufficiency of the escrow established to pay the Bonds in full at Maturity ("Verification Report"), (2) an escrow trust agreement between the City and an escrow agent, and (3) an opinion of Bond Counsel to the effect that the Bonds are no longer "Outstanding" under this Ordinance; each Verification Report and defeasance opinion shall be acceptable in form and substance and addressed to the City. Bonds shall be deemed "Outstanding" under this Ordinance unless and until they are in fact paid and retired or the criteria of this Section are met.

ARTICLE XII
MISCELLANEOUS PROVISIONS

Section 1201. Amendments.

(a) The rights and duties of the City and the Bondowners, and the terms and provisions of the Bonds or of this Ordinance, may be amended or modified at any time in any respect by ordinance of the City with the written consent of the Registered Owners of not less than a majority in principal amount of the Bonds then Outstanding, such consent to be evidenced by an instrument or instruments executed by such Registered Owners and duly acknowledged or proved in the manner of a deed to be recorded, and such instrument or instruments shall be filed with the City Clerk, but no such modification or alteration shall:

(b) Any provision of the Bonds or of this Ordinance may, however, be amended or modified by ordinance duly adopted by the governing body of the City at any time in any respect with the written consent of the Registered Owners of all of the Bonds at the time Outstanding.

(c) Without notice to or the consent of any Bondowners, the City may amend or supplement this Ordinance for the purpose of curing any formal defect, omission, inconsistency or ambiguity herein or in connection with any other change herein which is not materially adverse to the interests of the Bondowners.

(d) Every amendment or modification of the provisions of the Bonds or of this Ordinance to which the written consent of the Bondowners is given, as above provided, shall be expressed in an ordinance adopted by the governing body of the City amending or supplementing the provisions of this Ordinance and shall be deemed to be a part of this Ordinance. (a) Any notice, consent, request, direction, approval, objection or other instrument required by this Ordinance to be signed and executed by the Bondowners may be in any number of concurrent writings of similar tenor and may be signed or executed by such Bondowners in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds (other than the assignment of ownership of a Bond, which is provided for in the form of Bond attached as **Exhibit A**), if made in the following manner, shall be sufficient for any of the purposes of this Ordinance, and shall be conclusive in favor of the City and the Paying Agent with regard to any action taken, suffered or omitted under any such instrument, namely:

(1) The fact and date of the execution by any Person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the Person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(2) The fact of ownership of Bonds, the amount or amounts, numbers and other identification of Bonds, and the date of holding the same shall be proved by the Bond Register.

(b) In determining whether the Bondowners of the requisite principal amount of Bonds Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Ordinance, Bonds owned by the City shall be disregarded and deemed not to be Outstanding under this Ordinance, except that, in determining whether the Bondowners shall be

Notwithstanding the foregoing, Bonds so owned which have been pledged in good faith shall not be disregarded as aforesaid if the pledgee establishes to the satisfaction of the Bondowners the pledgee's right so to act with respect to such Bonds and that the pledgee is not the City.
