RE: 2024 Transportation Alternatives Program  
Jackson Middle School Sidewalk and Crosswalk Improvement  
Project No. TAP-3000(014)

Dear Mr. Bollinger:

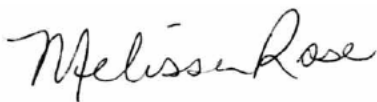

Thank you for participating in this round of the Transportation Alternatives Program. The City of Jackson's application was carefully considered by the Southeast District's selection committee that is comprised of our Regional Planning Commission and Metropolitan Planning Organization staff.

Congratulations! Your project was selected to receive funding at the requested amount with a total project cost of \$499,547.00 with a total federal funding of \$399,637.60 (80% of \$499,547.00). The official statewide award will be announced on July 1, 2024 as noted in the program guide.

The program agreements will be emailed to the city for signatures once the agreement is drafted. Please execute the agreements along with a city ordinance. The City will also need to submit a Request for Environmental Review (RER) using MoDOT's RER database. It is strongly recommended that the City submit the RER within 30 days of receipt of this letter.

If you have any questions, please contact me at 417-252-1616 or by e-mail at [melissa.rose@modot.mo.gov](mailto:melissa.rose@modot.mo.gov).

Sincerely,

Melissa Rose  
Transportation Project Designer - LPA
