NOTICE OF PUBLIC MEETING  
WASTEWATER TREATMENT PLANT IMPROVEMENTS  
PROJECT**

**RE: Notice of Public Meeting  
Wastewater Treatment Plant Improvements Project  
City of Jackson, Missouri**

Notice is hereby given that the City of Jackson will hold a public meeting on Monday, July 15, 2024 at 6:00 P.M. located at City Hall, 101 Court Street, Jackson, MO 63755. The meeting will discuss the expected environmental impact of the project known as the Wastewater Treatment Plant Improvements Project. Documents on the project will be available at Jackson City Hall. The project will be funded by a State Revolving Fund Loan through the Missouri Department of Natural Resources.

The following is a brief description of the proposed project:

- Construction of a new administration and office building, rehabilitation of the existing screw pumps, rehabilitation of the clarifier mechanisms, addition of scum pumping system, installation of weir in splitter box, removal and replacement of rotors in oxidation ditches, installation of new aeration system in digesters, WAS Fine Screen, MBT Permeate Pumps, WAS Screen Pump Station and new digester blowers.

Janet Sanders  
Director of Public Works
