**RE: Klaus Park Forcemain Upgrade, Phase 1**

Mr. Hahs,

On March 18, 2022, bids were received and opened in the Missouri Room of City Hall for the above referenced project. Two bids were received, with the cost of the low bid totaling \$149,758.00, and the higher bid totaling \$249,992.00. A preliminary engineer's estimate was provided with a cost estimate of 119,956. After a review of the submitted bids, and after discussions with City Staff, our recommendation is that the project be awarded to Persons and Son, Inc., of Poplar Bluff, Missouri, as the lowest responsive bid for the project.

We have reviewed the supporting documentation submitted with the bid, and found it to be in order and in compliance with the city and project requirements.

This letter is to constitute a formal recommendation that the City enter into an agreement and execute a contract with Persons and Sons, Inc. to complete the above referenced sewer project, together with all other requirements indicated on the project plans, for the total sum of \$149,758. I have previously provided copies of the bid tabulations for your use as well. We will request certificates of insurance and performance and payment bonds from the Contractor, and will expect to have same in hand prior to entering into a contract and issuance of a notice to proceed. I will prepare a formal notice of award and forward it to the contractor if the Board elects to proceed in this manner.

Thank you for the opportunity to continue to provide services to the City of Jackson for this project. If you need any further information, have any questions, or I can be of any further assistance in any capacity, please contact me at your earliest convenience.

Best Regards,

KOEHLER ENGINEERING &
