*Pass Thru pricing includes the direct interchange dues, assessments and all other fees that are charged directly from the associations. Forte Payment Systems believes in transparent pricing, meaning that we utilize a *Pass-Thru Plus* pricing model. Interchange pass thru pricing is a form of credit card processing that allows the actual cost of the processing (*interchange fees & assessments) to be passed directly through to your office. The advantage of this pricing strategy is that it is transparent and, in most instances, provides the lowest processing costs.

Forte's fees include: Total volume processed multiplied by bpts Total # of transactions processed by per item fee
