**Re: Parking in City Lots.**

---

---

JPD observed a car parked in a city lot for more than seventy-two (72) hours. Upon reviewing the relevant ordinance, it was learned that Sections 39-416 and 39-417 prohibit parking in a city ***metered*** parking lot for more than seventy-two (72) hours or without a current state license tag. The city no longer has metered parking. In order to enforce these ordinances, it is necessary to amend Sections 39-416 and 39-417 by deleting the word “metered.”

Please let me know if you have any questions.
