

To whom it may concern,

My name is Scotty Migét and I am a born and raised Jackson native. I graduated from Jackson High School in 2000. For the last twenty years, I have served active-duty in the Air Force. Now retired, I am back to pour into my home community. My first opportunity was being hired as the Head Golf Coach at Saxony Lutheran High School last golf season. With an undergrad degree in Psychology and a Master of Science in Athletic Development Management, I'm qualified to help manage one's mental and physical performance in multiple athletic applications. However, I have focused the last five years of education towards golf.

To help better the community, my wife Lisa (formally Sappington) and I have created our own business, TeeED Off Golf and Performance. (ED is short for EDeucation) I have recently attained Titleist Performance Institute certifications. Currently, I am the only person in the SEMO region that holds these certifications. Additionally, I completed the Mitchell Golf's Master training in golf club building and repair. This training is the most coveted in the golf industry and I'm the only one locally to have attended.

My career in the Air Force gave me an 'excellence in all I do' attitude, and the aforementioned training and education is just the beginning for me. I've dreamed for the last several years of attaining many more certifications.

Lisa and I have secured a location in uptown Jackson, owned by Strickland Engineering. 121 W. Main Street is the future home of our business. The business model is aimed to be the premier golf training facility in the SEMO region. We will offer an one-of-a-kind simulator built by Midwest Golf Innovation out of Kansas City. I will have top-of-the-line Mitchell Golf bending and repair machines for customizing golf clubs. Lastly, we'll offer several lines of new golf apparel and other items for the public, that is only offered online.

My goal is to make those who already golf better! And also, to be an ambassador for the sport of golf and to get individuals in to learn golf and to see firsthand how much fun it can be.

Part of our business plan is to offer bottled and canned drinks, to include beer. Missouri requires that an alcohol licensed establishment be 100 feet from a church or school. However, cities may waive this 100-foot requirement entirely. With this said, our location in uptown Jackson is next to a church. We ask that you consider waiving this 100-foot requirement, so that we can offer cold alcoholic beverages to our patrons.

Thank you in advance,

Scotty Migét, M.S.
