

PUBLIC WORKS MEMORANDUM

City of Jackson

TO: Mayor and Board of Aldermen

FROM: Janet Sanders, Director of Public Works

DATE: November 13, 2024

RE: Request for Second Handicap Parking Space – 100 Block North Missouri

Following the Board's discussion at the last study meeting, the attached letter requesting an additional handicap space in the 100 block of North Missouri Street has been received. To avoid creating two separate ordinances to change the parking regulations on this block, we are bringing this topic to study session once again for the Board's further discussion.
