# City of Jackson

---

TO: Mayor and Board of Aldermen

CC: Jim Roach, City Administrator

FROM: Anna Bergmark, City Engineer

DATE: April 12, 2023

RE: Main Street Corridor Pedestrian Safety Study

---

In November 2022, the City was awarded a Traffic Engineering Assistance Program (TEAP) grant for the study of Main Street from West Jackson Boulevard to Hope Street. The purpose of the study is to identify possible solutions to improve the safety of pedestrians traveling along and crossing Main Street. The Lochmueller Group, Inc has completed the study and will be presenting final recommendations to the Mayor and Board of Aldermen.
