Date: May 30, 2023

Re: Disposal of Stockpiled Brush Program

Bids for the Disposal of Stockpiled Brush Program were received by the City Clerk and opened at City Hall at 9:00 AM on Tuesday, May 30, 2023. Two local contractors submitted bids and the results of the bid opening are shown on the next page.

Herzog Excavating & Demolition, LLC, of Perryville, Missouri, submitted the lowest bid amount at \$28,600.00. When notified about being the apparent lowest bidder, the Contractor confirmed that they were comfortable with their bid amount.

Previously, the City's stockpiled yard waste and brush on the tract located behind Mondri on N. High St. (Highway 61), was burned to reduce the quantity. Due to stricter Missouri Department of Natural Resources regulations and citizen complaints, burning operations at this site ceased several years ago and this program was created to remove the accumulation of stockpiled brush.

I recommend to the Board of Aldermen this bid be accepted and a contractual agreement be made with Herzog Excavating & Demolition, LLC for the Disposal of Stockpiled Brush Program.
