

## PUBLIC WORKS MEMORANDUM

# City of Jackson

---

TO: Mayor and Board of Alderman

CC: Jim Roach, City Administrator

FROM: Kent Peetz, Director of Public Works

DATE: December 29, 2021

RE: Hubble Ford Bridge Replacement Project Bid Tabulation

---

Attached you will find the Bid Tabulation sheet from Smith and Company for the Hubble Ford Bridge Replacement Project. Putz Construction of Millersville was the low bidder at \$549,538.50. The second low bid was from Keith Simpson Contracting of Benton Missouri at \$588,043.00. The difference between the two lowest bids was \$38,504.50.

The Engineer's Estimate for the project was \$559,150.00.

As of the writing of this memo, Smith and Company is still gathering information from references and past projects as submitted by Putz Construction. With the holidays and vacations it has been very difficult for Smith and Company to reach many of the references given by the contractor. They will continue to pursue the needed information and will have a report for the Board of Aldermen at the January 3<sup>rd</sup> meeting.
