Re: Brookside Restroom and Pavilion Roofing Project Bid Tabulation

City staff solicited bids for the replacement of roofing at the Brookside Park restroom and pavilion. Three bids were submitted. Todt Roofing & Construction, Inc. of Cape Girardeau, Missouri was the apparent low bidder with a bid of \$8,800.00. Staff has begun the evaluation process, in the hopes of recommending the awarding of a contract at the Monday, February 5 Board of Aldermen meeting.
