### Kent Ford - Seeking Certificate of Appropriateness for Business Sign - Located off Old A.J. Highway

Mr. Houston Explained that Mr. Ford had been called away on business and would not be in attendance. The Commissioners felt they had enough information to move ahead with a vote without Mr. Ford being present to represent the item. The materials and Colors selected for the sign were found to meet the Historic Zoning Districts Guidelines. The Certificate of Appropriateness was granted unanimously on a motion by Combs, and a second by Musick.

### Jeanne Musick - Seeking Certificate of Appropriateness for a Business Sign - Located off Branner Ave and Old A.J. Highway

Mrs. Musick recused herself due to conflict of interest since the sign was for her personal business. After a brief discussion the sign was found to meet the Historic design guidelines. A certificate of appropriateness was granted unanimously on a Motion by Rogers, and a second by Combs.
