I reviewed the draft ordinance and compared it to our checklist. I found everything we need on the ordinance review checklist. I appreciate you allowing me to view it before final copy.

I did highlight sections that were numbered differently from the sections listed on the front page, such as: 14-504 instead of 14-405. I believe I highlighted all the numbers that need to be corrected, but you may want to double check. I know it was simply overlooked, but you will want to make sure all sections are identified properly.

As soon as the ordinance has been through the proper readings and signed, please email a copy of the signed ordinance to: [DWR.MS4@tn.gov](mailto:DWR.MS4@tn.gov). You may also copy me.  
Thank you so much for updating Jefferson City's ordinance so quickly.
