RE: Use of Jefferson City Fire Department Station 2 Contingency Funds  
for Fire Station IT Low Voltage Systems

Dear Sirs:

The City of Jefferson City is formally requesting to use \$21,917.00 of the Project's Contingency Fund for Low Voltage IT Systems installation at the Fire Station 2 project location. These funds will be used for the installation of access control, camera systems and data drops for the station. The City will utilize our current IT contractor, SecurFire, for the installation of these systems.

Should you have any questions, please feel free to contact our office.

Mitch Cain  
Mayor
