TO: Honorable Mayor and Jerome Town Council

FROM: Allen Muma, Chief of Police

Attached please find the police activity reports for September 2023.

The September "Calls for Service" report contained no significant single incidents to reports. Call volume for September was above average.

The parking kiosks brought in \$30,337.90 for the month of September 2023. In comparison to last year's revenue of \$24,673.70 for the same time period. Fiscal year to date (7/01/23 through 9/30/2023) kiosk revenue is \$74,914.65.

There were 226 parking citations that were issued for the month of September. There were 20 speed citations, 2 noise violations, 3 criminal speed, 10 traffic related citations and 6 criminal citations (1 assault, 1 disorderly, 3 DUI and 1 criminal damage) and 5 oversize trucks.

I continue working on a \$120,000 incident management grant I wrote for the fire department, we were awarded the grant as a 100%, zero match. This will provide software and hardware for scene management of incidents with the ability to track resources real time.

I am also working on the deployment of new parking enforcement / permitting software.

Respectfully,

Allen L. Muma, Chief of Police
