TO: Honorable Mayor and Jerome Town Council

FROM: Russell J. San Felice, Chief of Police

Attached please find the police activity reports for October 2026.

During the month of October, the police department responded to 205 calls for service. Jerome Police handled one shoplifting case, with a fairly significant value in property taken from two retailers in Jerome. The suspect was apprehended and the property recovered. We had a disorderly conduct/assault arrest in front of the big steps. We have one death investigation of a long time Jerome resident. The doors were locked and there were no signs of foul play. Preliminary investigation seems to show natural causes. We are waiting on the final report from the medical examiner.

Jerome police held a Town meeting near the end of October. We feel the meeting was very productive. We heard from residents about their concerns and some good ideas came from the meeting, helping the police department improve community relations. Ironically, at this meeting we heard some residents who would like to see more enforcement and some residents think there is too much enforcement. This seems to be the balance we are always confronted with. Jerome Police will continue to focus on the more egregious violations and use discretion when appropriate. We will continue to work on improving community relations, accountability and transparency. We will work to have more events for the community to interact with us going forward.

Jerome Police Officers and Parking Officers conducted several enforcement actions over the month of October. There were 426 parking citations written and 17 parking violation warnings. There were 55 citations and 21 warnings for various moving traffic violations.

For the October 2026 status report, here are the kiosk totals:

October 2026: $54,334.25
October 2025: $60,067.75

Current Fiscal year total (July 1, 2026-June 30, 2027): $155,721.50

Respectfully,

Russell J. San Felice
Chief of Police
