TO: Jerome Town Council

FROM: Angela M. Bradshaw Napper, Magistrate

SUBJECT: Monthly Staff Report

DATE: August 27, 2026

Court business in July and August has been steady, with a slight up-tick in civil traffic citations in early August. We have noticed a slight trend, albeit unscientific, that folks are paying their fines in full and a surprising number of defendants have recently been successful in restoring their driving privileges.

Our quarterly Security and Emergency Preparedness Committee (SEPC) meeting was held in July. A proposed new Administrative Order has been adopted, the SEPC committee having no objection to that which was proposed. A copy is attached for the Council's review. Work has commenced and should be completed next week to improve the court's video security system funded by the FY27 AOC grant.

Jerome hosted the Yavapai County Limited Jurisdiction Court Administrators quarterly meeting in July. The meeting was well-attended by court administrators from around the county and representatives from Superior Court. Several important topics were covered and good information was shared between these court leaders to continue to improve court services and best align practices with the expectations of the Supreme Court.

We are looking forward to the upcoming Town of Jerome shredding day – lots and lots of files to destroy and clean up our space.

As always, I welcome council members to come visit the Court. I am grateful for the opportunity to serve the Town of Jerome.
