March 2, 2024

TO: Honorable Mayor and Jerome Town Council

FROM: Allen Muma, Chief of Police

Attached please find the police activity reports for February 2023.

The February "Calls for Service" report contained nothing out of the ordinary. Call volume for February was above average.

The paid parking brought in \$28,952.50 (\$10,114.00 in text to park, \$18,773.50 in kiosks, \$50.00 in cash) for the month of February 2023. In comparison to last year's revenue of \$23,077.95, for the same time period. Fiscal year to date (7/01/23 through 2/29/2024) total parking revenue is \$225,139.80.

There were 284 parking citations that were issued for the month of February. There were 62 speed citations, 4 criminal traffic citations (1 DUI, 1 aggressive driving, 2 reckless) and 5 oversize trucks.

We continue to see about 60% of all parking citations issued being paid within a ten day period. We have also instituted a "text to park" application that has reduced the congestion on the parking kiosks. We continue our move to a completely digital residential parking permit management system in the near future.

I continue working on a \$120,000 incident management grant I wrote for the fire department, we were awarded the grant as a 100%, zero match. The hardware and software have been ordered and we are currently in deployment meetings.

I am also currently working on the transition from Uniform Crime Reporting (UCR) to the National Incident Based Reporting System (NIBRS) within our records maintenance system. This transition requires a more detailed data collection format for crimes that occur in Jerome and are reported to the FBI.

Respectfully,

Allen L. Muma, Chief of Police
