ABOUT

TEAM

Our youth mentorship program is a hands on approach. This assist in building a skill set to succeed in future endeavors. Our development instills that with both hardwork and dedication it can make you successful.

Our program helps our youth to develop confidence in school, sports, drama club and extracurricular activities.

Our motto: "Teamwork makes the dreamwork!" Motivates our youth to develop as a team. Training that as a team using task management skills, we together can make our production successful each year.

# WHAT WE DO?

Our hands on approach develops our youth in many different skill sets for example: set design, costume designing, prop building, make up artists, acting skills, customer service, marketing, advertising, event coordination, retail, social media, website design, building and fabricating, etc. We offer letters of recommendation, reference letters, community services hours and ongoing mentoring throughout the years.

With your meaningful sponsorships. Our promise is to continue our mentorship and training program.

## OUR MOTTO:

THANK YOU, AND WE LOOK  
FORWARD TO WORKING WITH  
YOU.
