

Library Staff Report, June 2023

Yavapai College Library is continuing to give away furniture and books

Jerome Library staff visit weekly to pick up items that we can use.

This month we received 56 books 26 DVDs and a trailer load of very nice upholstered furniture for the library.

The Old Book Room on the third floor has a new Director , the Library welcomes Erica Raspberry Knitzz to our volunteer staff. She is currently working on a map of the OBR. She is familiarizing herself with the book room and will be open to the public soon.

The NEW phone directory is available for distribution in the library, as usual the directory is published by Nancy and Tracy Weisel with Donations going to the library. Donated amount will be published in the Town newsletter.

Jerome library staff are concerned about the publicity surrounding Banned books. Recently, the Camp Verde Library had to remove several kids' books from the children's area displays during PRIDE month in June. This concerns all libraries in Yavapai County as these books can be requested through Inter library loan.

Jerome Library staff are working on a banned book policy as we have never banned books here and need a policy in place should we need to deal with a ban request..

Community Art Workshop

Kids Art Workshop class in Metal embossing on colored foil has been scheduled for July 15th, from Noon – 2 pm.

Sign up in the library or e-mail jeromeartworkshop@gmail.com

Ages 6 – 14 and parents are welcome to attend.

Respectfully, Librarian , Kathleen Jarvis
