Town of Jerome, Zoning Administrators Report

Town Council: Tuesday, July 11, 2023

Prepared by: William Blodgett, Zoning Administrator

Planning & Zoning Commission- The June 12th regular meeting of the Planning & Zoning Commission was cancelled, due to a family emergency.

Design Review Board- The June 26th regular meeting of the Design Review Board met and approved a solar energy system installation for 723 Clark Street. No other items were reviewed this month.

Board of Adjustment- No meeting of the Board of Adjustment for June.

Code Enforcement- Worked with Jerome Police Department and a Property Owner on Hampshire to remove an RV that had an occupant residing within. The RV was moved out of Town successfully. Continued working with the Building Inspector to remedy maintenance and abatement issues throughout the Town.

Administrative Approvals- Administratively approved a solar energy system for 842 Gulch road, as the structure is a modern home and not subject to Secretary of the Interior's standards for solar installations on historic properties.

Other Business- Continued to work on large and small projects while organizing data that will eventually be entered into a GIS database. Scheduling a SHPO training session for the July Design Review Board meeting and will begin to order and acquire GIS equipment and software during the month of July and also working to get action taken for a retaining wall threatening to fail over Hwy 89A just past Holy Family Church.
