

Meeting Name: Town Council
Meeting Date: May 28, 2025
Prepared By: Fabinne Azemar
Item Title: Special Event Request – 2025 Loggerhead Triathlon

DISCUSSION:

Staff received a request for a special event from Stewart Auville, representative of the Palm Beach North Chamber of Commerce, for the 2025 Loggerhead Triathlon Race. **This is a recurring event held at the same location along Ocean Drive, which is why staff included it on the Consent Agenda.**

The location of this event takes place on A1A between Donald Ross Road and Jupiter Inlet. The triathlon is expected to have 600 attendees, 8 employees, and 100 volunteers. The event will require the roadway (A1A) to be closed during the event (August 23rd, 2025 from 6:30 AM to 11:00 AM). The applicant has provided a triathlon course map depicting the entire area of the event. The applicant has received approval from the Palm Beach County Department of Engineering and Public Works for the closure of Ocean Drive for this event. The applicant will be charged the permit fee of \$100 and a \$500 Security Deposit for this event based on the adopted fee schedule for Off-Site Special Events. This fee and deposit do not include the required costs for outside assistance by Police, or any other necessary support. Those costs are the responsibility of the applicant during the application process.

RECOMMENDATION:

Staff recommends that the Town Council consider the request for the special event proposed in Juno Beach as stated above, subject to the applicant being responsible for the application process of the special event and all conditions and requirements following said application, including approval of the Certificate of Insurance, and any additional agency reviews/approvals/fees.
