

Meeting Name: Town Council Regular Meeting

Meeting Date: September 11, 2024

Prepared By: Chief Brian J. Smith

Item Title: Extra Duty Solutions

DISCUSSION:

The Police Department is seeking to contract with Extra Duty Solutions to fill special detail requests made by outside vendors to the Police Department.

An outside party filling police detail requests will greatly improve both time management associated with filling these details and increase the available pool of candidates from JBPD as well as outside agencies. Extra Duty Solutions can contact outside agencies directly to fill police detail requests as may be needed. For large scale special events, this is especially beneficial.

There are no costs to the Town associated with this agreement, as Extra Duty Solutions will cover all costs associated with staffing extra duty details before receiving compensation from any private vendor.

RECOMMENDATION:

Staff recommends allowing the Town Manager to facilitate this agreement with the Police Chief and Extra Duty Solutions.
