The Honorable Mayor Peggy Wheeler, Vice Mayor DD Halpern, Vice Mayor Pro Tem Marianne Hosta and Councilmembers Diana Davis, and Jacob Rosengarten
Town of Juno Beach
340 Ocean Drive
Juno Beach, FL 33408

The Honorable Mayor Wheeler, Vice Mayor Halpern, Vice Mayor Pro Tem Hosta and Councilmembers Davis, and Rosengarten:

Colin Baenziger & Associates (CB&A) would like to thank you for the opportunity to submit this proposal to assist in finding your next Town Manager. While selecting key personnel is never easy, CB&A has developed a problem-free process that has been tested across the country and found to be extremely effective.

While CB&A is a nationwide municipal recruiting firm, our home base is Florida. In fact, we have been selected to perform 140 of the last 215 recruitments where a Florida city or county has chosen to use a recruiter to find its Manager / Administrator. We pride ourselves on providing not just high-quality results, but, equally important, providing a great deal of personal attention to each of our local government clients and candidates. To conduct a proper recruitment, we feel the project manager must do more than just drop by occasionally. He/she must get to know the elected officials and the community firsthand. That effort takes time, but it is the only way to ensure the candidates we recommend are well qualified and fit well with you and your community. As a result, we only take a few clients at a time and focus on completing each assignment in an exemplary manner. Further, we routinely complete our work in ninety days. This timeframe includes preparation of recruitment and advertising materials, candidate outreach, candidate screening, finalist interviewing, and selection. Finally, we offer one of the better warranties in the industry.

Some of our Florida searches include City Managers for Aventura, Bay Harbor Islands, Bradenton, Cape Coral, Cutler Bay, Destin, Estero, Fort Myers, Fruitland Park, Gainesville, Hallandale Beach, Islamorada, Lady Lake, Melbourne, Miramar, Mount Dora, Ocala, Orange City, Palm Beach Gardens, Palmetto Bay, Palm Coast, St. Pete Beach, Tavares, Treasure Island, and West Melbourne. Nationally we have found City Managers for Ankeny, IA; Bellevue, WA; Doraville,

GA; Fayetteville, NC; Portland, ME; Roanoke, VA; Scottsdale, AZ; Tacoma, WA; and Winchester, VA. We have also found the Borough Manager for Matanuska-Susitna Borough, Alaska (a county the size of West Virginia) as well as County Managers for Brevard County, FL; Clackamas County, OR; Clay County, FL; El Paso County, TX; James City County, VA; Polk County, IA; St. Lucie County, FL; St. Johns County, FL; and Union County, NC.

Some of our current searches include City Managers/Administrators for Crystal River, Fernandina Beach, and Fruitland Park, FL, Davenport, IA, and Eagle Mountain City, UT; Assistant County Manager for Douglas County, NV; City Attorneys for Deltona, FL and Moline, IL, and a Human Resources Director for St. Johns County, FL.

Those authorized to bind the company are myself, Colin Baenziger, Senior Consultant Scott Krim, and Senior Vice President for Operations Lynelle Klein.

We look forward to formally presenting our credentials and working with you in the near future. If you have any questions, please feel free to contact me at (561) 707-3537.

Sincerely,

Colin Baenziger
Principal / Owner

I. Qualifications and Experience of the Firm

The Firm, Its Philosophy, & Its Experience

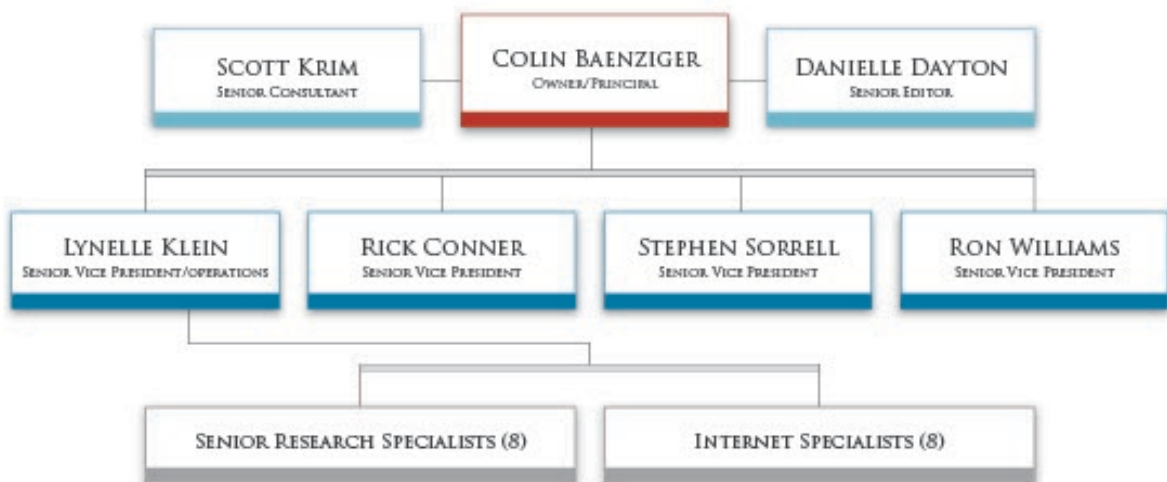

Colin Baenziger & Associates (CB&A) is a nationally recognized executive recruiting firm established in 1997 and owned and operated by Colin Baenziger. We are a sole proprietorship headquartered in Volusia County, FL with satellite offices in Grand Junction, CO, Live Oak, FL, Ogden, UT, and Pensacola, FL. As a sole proprietorship, we are not registered with any state as a corporation, foreign or otherwise.

Colin Baenziger & Associates' outstanding reputation is derived from our commitment to the quality of our product and the timeliness of the delivery. Further, our work is not done until you are fully satisfied. That means we go the extra mile and, at times, expend more effort and energy than originally anticipated in our action plan. When we do so, we do not ask for more than the originally quoted price. We feel you are hiring us as your experts and once a contract is signed, we have an obligation to fulfill its requirements with excellence, on time, and within budget. We simply do not believe in unforeseen circumstances.

Since beginning our executive search practice in 1998, we have conducted searches for clients in thirty-four states. Overall, we have sought over 230 CEOs for cities, counties, and special districts. We have also conducted over 415 searches overall. The basic approach outlined herein has been refined to the point where it is problem-free.

Technical Capabilities and Organizational Structure

Colin Baenziger & Associates has developed its business model over the past 26 years, and it has proved to be extremely effective. Our work has focused primarily on Executive Search and our staff is extremely capable and experienced. See Section III for more details. The structure of our firm is outlined below.

I. Qualifications and Experience of the Firm (continued)

Completion of Projects within Budget

Colin Baenziger & Associates is proud of its record of completing searches within budget. Once we quote a price to the client, that price is what the client will pay, no matter how difficult the search is or what circumstances may develop. ***We have never requested anything beyond the originally quoted price, even when we were probably entitled to do so, and we never will.***

Completion of Projects on Schedule

Colin Baenziger & Associates routinely completes its assignments within ninety days. Further, since CB&A began performing recruitments, ***it has never missed a significant project milestone.***

Diversity

CB&A has extensive contacts with individuals and organizations representing women and minorities. We are thus able to identify and bring a diverse group of finalists to the Town. The proof is that since 2012, 38% of the candidates selected as semi-finalists have been females and/or minorities. Some years have been as high as 52%.

Prior Names and Litigation

Colin Baenziger & Associates has always operated under its current name and has never been involved in any litigation, except to testify as an expert witness on behalf of one of the parties. Our performance has never been questioned nor have we or any of our clients been involved in any legal action as a result of our work.

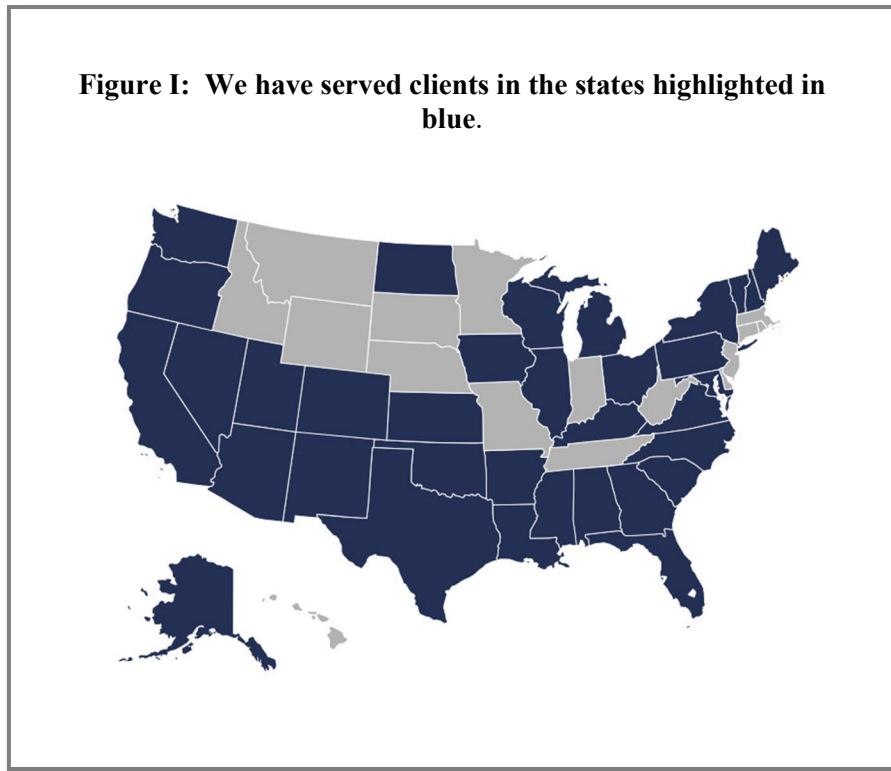

Insurance

To protect our clients, Colin Baenziger & Associates maintains the following insurance coverages: (1) general liability insurance of \$2 million combined single limit per occurrence for bodily injury, personal injury, and property damages, (2) automobile liability insurance of \$1 million per accident, and (3) professional liability insurance of \$1 million per occurrence and \$2 million aggregate. Further, we carry the required workers compensation insurance for all our employees.

I. Qualifications and Experience of the Firm *(continued)*

Geographic Reach

Since initiating its search function in 1998, CB&A has become a nationwide recruiting firm. We have conducted searches in 35 states, see Figure I below. A complete list of our searches can be found in Appendix A.

II. Proposed Work Plan

The following search methodology has been refined over the past twenty-six years and is virtually foolproof. That said, we will integrate any ideas you have into the process to the extent possible. Our goal is to ensure you have the right people to interview as well as all the information you need to make the right decision.

Phase I: Information Gathering / Needs Assessment / Brochure Preparation

Task One: Needs Assessment

An important part of the recruiter's work is selling the community to the very best candidates (including those who are not actively looking for the next job) while providing an honest portrayal of the community and the opportunity. As such, CB&A must first determine the needs of the client and the characteristics of the ideal candidate. Our approach is as follows:

- Gather information from the jurisdiction, its website and other sources;
- Interview the elected body and other key parties (such as Town staff). Our goal is to develop a strong sense of your organization, its leadership, its short- and long-term expectations, and its challenges;
- Determine the characteristics of the ideal candidate. These will include experience, longevity, education, personality, demeanor, skills, and achievements as well as other items you and the community consider important;
- Determine a reasonable compensation package; and
- Finalize the timeline with the Town so both the elected body and the candidates will know when the interviews will be held and when they need to be available.

If the Town wishes, we will gladly incorporate meetings with other stakeholders (such as the business community, non-profit organizations, the religious community, and so on) to gather their insights. We can also solicit the input of your residents through an on-line survey.

Task Two: Develop Position Description and Recruitment Materials

Based on the information we gather; CB&A will next develop a comprehensive recruitment profile for your review. We will then incorporate any additional suggestions you may have and finalize the document. A sample profile is included as Appendix B. Other examples can be found on our firm's website under the "Executive Recruitments" / "Active Recruitments" tabs.

II. Proposed Work Plan (Continued)

Phase II: Recruitment

Task Three: Recruit Candidates

CB&A uses a number of approaches to identify the right people for your position. We say people (and not person) because our goal is to provide you with six to ten outstanding semi-finalists. You then select the top three to five people to interview and ultimately choose the candidate who is the best fit with you and your community. The approaches we use are:

- ***Networking:*** The best approach is diligent outreach. We will network with potential candidates and consult our database of government professionals. Being well established in Florida, we know whom we should contact. As we identify outstanding candidates (many of whom are not in the market), we will approach them and request that they apply. Often excellent candidates are reluctant to respond to advertisements because doing so may alienate their current employers.
- ***Advertising:*** While we will network to find the best, we will not ignore professional organizations and trade press which sometimes yield strong candidates. These might include the International City/County Management Association, Florida League of Cities, Florida City and County Management Association, LinkedIn, the National Association of Cities, and sites aimed as female and minority candidates.
- ***CB&A Website:*** We will also post the recruitment on our website, www.cb-asso.com. With our reputation, many candidates consult it regularly.
- ***Email:*** We will e-mail the recruitment profile through our listserv of over thirteen thousand managers and professionals who are interested in local government management positions. One of the advantages of e-mail is that if the recipient is not interested, he/she can easily forward the recruitment profile to someone else who may be interested.

We generally do not use local newspapers, national newspapers, or generic websites because while they produce large numbers of applications, they generally do not produce the caliber of candidates we are seeking. If the Town wants to have ads placed in these venues, it will need to bear the cost.

Phase III: Screening and Finalist Selection

Task Four: Evaluate the Candidates

Based on our most recent recruiting efforts, we anticipate receiving resumes from forty to sixty applicants. We will use the information we developed in Phase I to narrow the field. Selecting strong candidates is, in reality, more of an art than a science and a mixture of in-depth research and subjective evaluation. While we consider standard ranking factors and the elements of the job, ultimately the most important factor is who we believe will be an outstanding fit with the Town and the community as your next Town Manager.

II. Proposed Work Plan (Continued)

Specifically, our efforts will involve:

Step One. Resume Review. CB&A will evaluate all resumes and identify the eight to fifteen candidates of the highest quality.

Step Two. Screening Interview. Our lead recruiters, and possibly other senior representatives of the firm, will interview each of the top candidates. Using what we learned in Phase I and our experience as managers and recruiters, as well as our unique ability to assess candidates, we will determine whether to consider each candidate further.

Step Three. Evaluate the Best Candidates. We will conduct thorough research into the backgrounds of the best six to twelve candidates. Specifically, CB&A will:

- **Ask the Candidates to Prepare a Written Introduction:** We will ask the candidates to answer a series of questions about themselves as an adjunct to their resumes and cover letters. By so doing, (1) the candidates can tell their story *in their own words*, and balance the negativity that is so often characteristic of the press, and (2) the Town to evaluate the candidates written communication skills.
- **Interviews of References:** We provide the candidate with a list of references with whom we wish to speak. These will include current and former elected officials, the municipal attorney, the external auditor, staff members, peers, news media representatives, the director of the local chamber of commerce, community activists, the Human Resources Director they work with, and others who know the candidate. All told, the list will include approximately 20 individuals. We will also attempt to contact some individuals who are not on the candidate's list. Typically, we reach eight to twelve people and prepare a written, approximately page long summary of each conversation.
- **Legal Checks:** Through our third-party vendor, American DataBank, we will conduct the following checks: criminal records at the county, state, and national level; civil records for litigation at the county and federal level; motor vehicle records; and bankruptcy and credit. As an aside, while only police departments have access to the gold standard for criminal records (the NCIC database), our vendor has developed a very reliable substitute.
- **Search the Internet, Newspaper Archives, and Social Media:** Virtually every local newspaper has an electronic archive that provides stories about perspective candidates, the issues they have dealt with, how they resolved them and the results. These articles can also provide valuable insights into the candidate's relationship with the public and the governing body. Of course, not all news sources are unbiased, and we consider that in our evaluation. Further, we will review the candidate's social media accounts.
- **Verification of Education and Work History:** We will verify all claimed educational degrees, as well as the candidate's work history for the past 15 years to ensure the candidate has been completely forthright.

II. Proposed Work Plan (Continued)

- **Candidate Disclosure Statement:** We ask candidates to disclose anything controversial in their background that we need to be aware of. While it is unlikely that they will disclose anything we are not already aware of at this point, we believe redundant checks are beneficial.

As part of our efforts, we will crosscheck sources, search for discrepancies, and resolve them. When sensitive or potentially embarrassing items are discovered, they will be thoroughly researched. Depending on what we discover, we may decide to drop the candidate or to present them with an explanation.

Note: We firmly believe that all background work and checks should be completed prior to presenting them to you. That way you will know the individuals you select to interview are all top performers and do not have anything embarrassing in their pasts that might come to light after selection. It also means that once you have made a selection, you can move forward promptly, negotiate a contract and make an announcement.

Task Five: Preparation and Presentation of Candidate Materials

CB&A will select six to ten candidates and present them for your consideration as finalists. We will provide you electronically a complete written report for each recommended candidate which will include: the candidate's cover letter, resume, introduction, references, background checks and internet / newspaper archive search results. A complete sample candidate report is included as Appendix C. We will also provide advice on interviewing, a series of questions the elected officials may wish to ask (as well as outlining questions that are not appropriate to ask), and some logistical information.

Task Six: Finalist Selection

Approximately a week after the Town has received the candidate materials, CB&A will meet with the elected officials to discuss our findings and to select finalists (ideally five with an alternate) to be invited to interview.

Task Seven: Notify All Candidates of Their Status

We will notify the finalists by telephone and give them the opportunity to ask additional questions. Additionally, we will provide them with information concerning the interviews and travel if necessary.

CB&A will also contact those not selected to be interviewed. Part of the notification will include advice concerning their application materials, even though they were not selected to go forward, they will have gained something valuable from participating in the process.

II. Proposed Work Plan (Continued)

Phase IV: Coordinate the Interview Process and Town Manager Selection

Task Eight: Coordinate the Candidate Assessment Process

Prior to the interviews, we will recommend an evaluation process including mechanisms to assess the candidates' communication skills, interpersonal skills, and decision-making skills. Typically, we suggest the Council observe the finalists in three settings: a social setting (since the selected candidate will frequently represent the Town at community functions), one-on-one interviews, and a Council meeting.

Day #1: The finalists are given a tour of the community by a knowledgeable staff member or resident. Communities often also include a reception with the Town's senior staff at this point.

Later, that evening, the Council can host a reception for the candidates. The purpose is to observe how the finalists respond to a social situation. As noted, your next Town Manager will, after all, represent your local government in a variety of venues. It is thus important to know how the individual will respond to your citizenry. The reception also serves as an icebreaker whereby the Council Members and the candidates get to know one another informally.

Day #2: The next morning, each candidate will interview individually with each Council Member for approximately 40 minutes. These meetings provide you with an opportunity to assess how the candidates might interact with you on an individual basis. Ultimately, Managers succeed or fail based on their interaction with the Council and its individual members. One-on-one interviews are an excellent way to test that interaction.

After lunch, the Council, as a group, will interview each finalist one at a time for approximately 30 minutes. Part of the interviews might include a PowerPoint presentation, so the Council can observe the candidates' presentational skills.

We recommend you invite the finalists' spouses to the interviews, so they can become familiar and feel comfortable with the community.

Finally, if it would make you feel more comfortable, we can recommend several third-party management and personality assessment tools that the Town can use to provide additional input. They are available at a relatively small cost and are not included in our fee.

Task Nine: Debriefing and Selection

After the interviews are completed, we have developed a simple methodology that moves the elected body quickly and rationally to selecting your next Manager.

II. Proposed Work Plan (Continued)

Phase V: Negotiation and Continuing Assistance

Task Ten: Notification, Contract Negotiations and Warranty

If requested, we will assist in the employment agreement negotiations. Generally, a member of the elected body and the attorney conduct the actual negotiations while we provide advice and assistance concerning the compensation package and contract. We can also take the lead role in the negotiations if desired. We have a standard contract you are welcome to use with the selected candidate. Your attorney, of course, will prepare the final contract. Since the basic parameters will have been discussed with the candidates, and the candidates have been thoroughly vetted, we expect prompt agreement.

Task Eleven: Continuing Assistance

Our work is not done when the contract is executed. We will stay in touch with you and your new Town Manager. Our goal is to be there to assist in resolving any issues that arise before they become intractable. We simply feel it is part of our job to ensure a successful relationship.

Communications: We will provide weekly reports about the status of the search, in writing or by phone, depending upon your preference. At significant milestones we will make the reports in person. We are also available at any time, day or night, to address any questions you have along the way. To do so, we will provide you with our cellphone numbers and you should feel comfortable contacting us whenever you have a question whether it is directly related to the search or, for that matter, anything else related to local government. We are, in addition to being exceptional recruiters, students of local government, and can often provide insights and names of parties who have dealt a wide variety of issues, often with innovative solutions. We want to be responsive and to assist in any way we can.

The Town's Obligations

The Town will be responsible for providing the facilities for the interview process, coordinating lodging for candidates from outside the area, and making arrangements for the reception. The Town will also be responsible for reimbursing the candidates (and spouses, if invited) for all expenses associated with their travel, meals, and incidentals for the interview process.

II. Proposed Work Plan (Continued)

Proposed Project Schedule

The following is the schedule we would suggest and assumes CB&A is selected to complete the search by September 11th. It can be adjusted based on the availability of the Mayor and Council.

- October 25th: Closing date for submission of applications.
- October 30th: CB&A reports on the results of the recruitment.

Phase III: Screening, Reference Checks and Credential Verification

III. Proposed Project Team

Project Team and Involvement

Colin Baenziger & Associates has assembled an outstanding project team to serve your needs.

Colin Baenziger will have overall responsibility for the execution of the search. Mr. Baenziger has spent ten years in local government as a senior manager and over 30 years as a consultant. In addition to his 25 years in executive search, he specialized in operational reviews of governmental agencies and private sector clients such as the Recording Industry Association of America, and the Marriott Corporation. Mr. Baenziger has a master's degree with distinction in public administration from Cornell University's Graduate School of Management, and a Bachelor of Arts degree from Carleton College. He is also active in the International City Management Association and the Florida City and County Management Association.

Lynelle Klein, Senior Vice President for Operations, is a skilled professional with extensive expertise in executive search. Starting as a research assistant with CB&A 12 years ago, she has now firmly established herself as the number two person at CB&A. Prior to joining the firm, she worked primarily in the private sector providing financial and administrative services. Ms. Klein has an associate degree from Brigham Young University in Rexburg, Idaho. She currently resides in Mesa County, CO.

Stephen Sorrell, Senior Vice President, brings over 35 years of management and technical experience in municipal, county, state, and special district agencies in addition to his work with Colin Baenziger & Associates (CB&A). Some of the leadership positions Steve has held include serving as Executive Director, Emerald Coast Utilities Authority in Pensacola, Florida, and as City Manager, Director of Public Safety, Assistant City Manager, and Director of Finance, all for Hamilton, Ohio. He is a P.E. and earned a Bachelor of Science in Civil Engineering Degree from the University of Dayton, Ohio, and Master of Public Administration Degree from the University of Cincinnati, Ohio. He is a member of the International City/County Management Association, Florida City/County Management Association, Florida Finance Officers Association, American Water Wastewater Association, President of the Exchange Club, President of the Safety Council, Chairman of the Neighborhood Watch Program, and served on the Board of Directors for Senior Services and the Chamber of Commerce. One day, he hopes to slow down – just not yet.

III. Proposed Project Team (continued)

Ron Williams, Senior Vice President. While Mr. Williams is technically relatively new to CB&A, he worked with the firm in its infancy and helped develop the operating methodology that has led to our growth and success. His public sector career began as a budget analyst for the City of Miami and culminated as the City Manager for Palmetto Bay (an affluent suburb of Miami, FL with 24,000 residents) and then for Live Oak (a rural city of 7,000 about 100 miles west of Jacksonville, FL). Along the way, he served in high level positions in the juvenile justice, public works, and general services. What excites him now is finding the people you need to fill your key positions, and he is exceptionally good at it. Ron has a Bachelor of Science in Management and a Master's Degree in Public Administration from the University of West Florida. He has also taught at Miami Dade College and in the County's public school system.

Rick Conner, Senior Vice President, has over 30 years of experience in executive recruiting and in local government (serving as a city manager in Florida and Texas) as well as a public works and utilities director. That experience provides him with an excellent perspective of the needs of local government operations and staffing. Rick earned Bachelor of Science Degrees in Business Administration and Engineering from the University of Missouri. He is a Registered Land Surveyor and a Professional Engineer in Missouri, as well as a Professional Engineer in Florida, Tennessee, and Texas. In his spare time, he invents scuba diving equipment and accessories.

G. Scott Krim, Senior Consultant, has 20 years' experience in the public and private sectors and offers an abundance of managerial and analytical experience. He is a versatile leader with proven expertise in operations optimization, personnel selection and retention, and internal / external stakeholder relationships. Prior to joining our firm, Scott worked for five years in Utah's District Courts. He is a member of the Association for Public Policy Analysis & Management, the Society of Human Resource Management, and the American Communication Association. Scott has a Master of Public Administration (emphasis in state and local government) from Southern Utah University, and a Bachelor of Science in Organizational Communication from Weber State University in Ogden, Utah. Scott is a certified Professional and Technical Writer.

CB&A began its work in May of 2020 to find Bay Harbor Islands’ next Town Manager. Our work included searching the nation to find the right person for the job, interviewing the candidates, conducting thorough background checks, and recommending finalists for the Town to interview. Through our targeted marketing and outreach efforts, we were able to bring an excellent pool of candidates to the Town. After careful deliberation, the Town selected *Maria Lasday, formerly the Village Manager for Bannockburn Village, IL* in August 2020. Ms. Lasday separated from the Town in 2024.

City Manager, Flagler Beach, FL (population 5,160)

Located along Florida’s Atlantic Coast between Daytona Beach and St. Augustine, Flagler Beach offers sparkling water, uncrowded beaches, bountiful fishing, beachside shops, waterfront restaurants, and natural parks. CB&A began work on April 14, 2023, to assist the City in finding its next City Manager. Our work included finding numerous outstanding candidates, interviewing them, conducting thorough background checks, and recommending finalists for the City to interview. The interviews were held on July 14, 2023, and *Dale Martin, former City Manager for Fernandina Beach, FL*, was selected by a unanimous vote. FlaglerLive.com reported, “If each commissioner could vote twice for him, that’s what would have happened: he was that acclaimed.” He remains with the City.

Contact: Commissioner Chris Bell at (352) 326-4291 or cbell@fruitlandpark.org

CB&A was hired in mid-July 2013 to find Fruitland Park’s next **City Manager**. Rick Conner, CB&A’s Senior Vice President assumed the Interim City Manager role to assist the City, stabilize the situation, and coordinate the recruitment. The process was challenging, but through extensive outreach efforts, CB&A fielded an excellent group of high-quality candidates for the position, performed background checks, coordinated the interview process, and assisted the City in selecting *Gary LaVenia, former City Manager of Maple Shade, NJ*. According to all reports, the City is exceptionally pleased with the placements. Mr. LaVenia remains with the City but is retiring later this year and we have been hired to find his replacement.

Contact: Mayor Steven Sheffield at 352-536-4758, or

CB&A began work in January 2021. Our work included scouring the nation to find the right person for the job, interviewing the candidates, conducting thorough background checks, recommending finalists for the city to interview, and helping with the contract negotiations. The process took longer than normal as Mascotte requested we host a citizen survey before we start the recruitment process. In addition, the selected candidate withdrew for personal reasons during contract negotiations and so we led a second recruitment process. *Annamarie Reno, former Township Manager for Richland Township, Michigan*, was selected on October 5, 2022. Ms. Reno remains with the City.

City Manager, Sanibel, FL (population 7,319)

Contact: Mayor Holly Smith at 239.707.4800, or
Holly.Smith@mysanibel.com

CB&A was hired in July 2021 to find Sanibel's next **City Manager**. Sanibel Island is unique because it incorporated in 1974 to protect the natural aspects of the area and the community's small-town feel. Sanibel was looking for a manager who would protect Sanibel for the long term and continue the goals in their vision statement. Our efforts involved searching the country for strong candidates, conducting extensive background checks, recommending a strong field of candidates, overseeing the interviews, and providing assistance with the contract negotiations. *Dana Souza, formerly the Interim City Manager of Naples, FL*, was selected in late September. Mr. Souza remains with the City and received an 8% salary increase in both 2023 and 2024 based on his positive performance evaluation.

City Manager, Treasure Island, FL (population 6,783)

Contact: Commissioner Deb Toth at 727-748-5178, or
dtoth@mytreasureisland.org

CB&A began work on August 24, 2017, to assist the city in finding its next **Manager**. Our work included scouring the nation to find the right person for the job, interviewing the candidates, conducting thorough background checks, recommending finalists for the city to interview, and helping with the contract negotiations. It was a particularly interesting recruitment because an affirmative vote of four of the five commission members was required and one of the commission members refused to participate. Thus, the selection had to be "unanimous". Garrison "Garry" Brumback, *formerly City Manager of Southington, CT, and earlier an Assistant City Manager in Clearwater, FL*, was selected on November 3, 2017. Mr. Brumback retired in 2021, and his assistant was promoted to be the new City Manager.

V. Fee and Warranty

Fee

CB&A offers a firm, fixed price of \$29,500, which includes all the expenses we will incur in the search with one exception. The Town will make a reservation and pay for two night’s stay for the CB&A representative in the same hotel as the finalists when they come to interview for the Town Manager position so we can help facilitate the final stage of the recruitment process. The only other expenses the Town will incur are those associated with bringing the finalists (and spouses, if invited) to interview with the Town (travel, meals, hotel etc.). Bills will be rendered as the search progresses and due at the end of each Phase as indicated below:

Requested Services	
Phase I: Needs Analysis / Information Gathering	\$ 1,000
Phase II: Recruiting	14,000
Phase III: Screening	12,000
Phase IV: Interview Process Coordination and Selection	1,500
Phase V: Negotiation and Warranty	1,000
Firm, Fixed Fee Total*	\$29,500

If the Town asks us to perform work that is clearly beyond the scope of this proposal, it will be billed at a rate of \$150 per hour. No such work will be performed without your written authorization. Please note, as previously stated, that we have never billed nor requested additional funds beyond our originally quoted fee – even when circumstances suggested we were entitled to them and where the work we performed extended beyond the scope of our assignment.

Please note: Because we recently worked with the Town of Juno Beach, we can offer our 2022 pricing, which is a \$3,000 discount from current pricing. The discount has been applied to Phase 1 as we will only need to update the recruiting materials that were prepared in the last search.

Warranty

Colin Baenziger & Associates offers one of the best warranties in the industry. We can offer it because we have confidence in our work. Provided we conduct the full search (Phases I-V), follows our recommendations, and selects from among the candidates we recommend, we warrant the following:

- 1) We will not approach the selected candidate for any other position as long as the individual is employed by the Town.
- 2) If the selected individual leaves for any reason other than an Act of God (such as total incapacitation or death) within the first year, CB&A will repeat the search for the reimbursement of our expenses only.
- 3) If you are not satisfied with the candidates we present, CB&A will repeat the search until you are satisfied.
- 4) Our price is guaranteed and will not be exceeded for any reason, even if conditions change after the contract is executed.
